Fort Saint George, Political Consultation, 8th June 1858.

No. 27. From GEORGE LECOT, Esq., Acting French Consul ; to the Chief Secretary to Government, Fort Saint George, dated 2nd June 1858.

SIR,

I have the honor to request you will be so good as to let me know in what condition the Arms, &c., which were kindly lent last year for the protection of Pondicherry, were received back into Store, as the French Government of that place are desirous to ascertain if they were delivered in the same good condition in which they were shipped.

Accept, Sir, the expression of my regret for the trouble I occasion, as also of my sentiments of the highest consideration.

No. 28. To GEORGE LECOT, Esq., Acting French Consul, Fort Saint George, dated 7th June 1858, No. 365.

SIR

I am directed to acknowledge the receipt of your letter of the 2nd Instant, and to acquaint you that the Right Honorable the Governor has already addressed His Excellency the Governor of the French Settlements direct on the subject of the Arms, &c., forwarded from Pondicherry by the Ship "Tamatave." From a report received from the Inspector General of Ordnance on the condition of these Stores, it appears that there are few deficient and unserviceable Articles, and still fewer in need of repair. This Government have not, under these circumstances, thought fit to make any charge upon the French Government on account of such Arms.

(Signed) T. PYCROFT,
Chief Secretary.
