2. In order that the duties of Government may be fulfilled in the most advantageous manner, I have as a Temporary measure ordered Rajah Tej Bhan Bahadoor, to assume charge of the Sadarut Records and to give his aid in those of this Treasury, drawing the full salaries also of these two Offices, and independent of other reasons, which I do not dwell on, as these are merely temporary Offices, but requiring capacity and intellect and confidence in their holder, I trust that you will feel empowered to pass the Abstracts for June 1858, when presented to you in July for that purpose.

3. Should you deem this beyond your power, I write to you thus early to admit of a reference to the Right Honorable the Governor in Council on the subject.
