The humble Petition

of the undersigned children

and daughters of the late

Ahmed Beg, Proprietor &c.

humbly sheweth

That after the demise of

your Petitioners father which occa-

sioned on the 8th October 1857 a representa-

tion was made to you hereby he

was entitled to a certificate for

the continuance of the monthly pe-

nsion granted by their late parent

which they obtained & most

sanguine hope that under all the

circumstances of their unfortunate

case, their late father having left a

larger family, is totally destitute and unprovided for. The full amount of the allowance would be awarded for their support and maintenance, they beg to state that the Government was pleased to grant some time in last month, to Jamalooddy a moiety thereof (Rupees 35; and while they cannot but exceedingly regret the inadequacy of the amount, they are grieved to find that the grant has been made in the name of their eldest brother alone, which circumstance adds to their distress, inasmuch as in the event of his decease, or any other cause, tending to deprive them the allowance may cease, and the remaining members of the family left to suffer want and misery, without any resources whereon to depend upon.

Under such circumstances your Petitioners most respectfully solicit your favorable attention to their case, and humbly recommend to the Government that the allowance sanctioned may be distributed among them in the names of each individual Member respectively, as was done in the case of the family of their late Uncle

Jaffer Beg; and Petitioners take the liberty hereunder to cite the portions desirable to be granted to each of them and which they beg they may be permitted to draw on their own separate receipts.

For which act of grace Petitioners shall feel deeply grateful

And as in duty bound Shall Ever Pray.

that, Akbar Hoossain the Eldest Son of the late Ahomed Beg is of unsound mind and indulges in the use of intoxicating drugs, I am therefore of opinion that he is totally incapable of supporting and doing justice to the family and Constant dissensions would take place.—

3. I now beg to recommend as a special case, that the indulgence* Confined on the family of Jaffer Beg also a Two Lac Fund Pensioner and younger Brother to Ahomed Beg, may be shewn to this family also by allowing the Pension to be distributed among the family and that each Member be permitted to draw their share on their own receipts, agreeably to the annexed List Commencing from the 8th October 1857, the date on which Ahomed Beg died.—

From the Chief Secy

To the Secy. to the Govt of India

Foreign Dept.

Sir,

A Resolution of the Govt of India in the Financial Dept enclosed in Sec Off Under Secy's Letter of the 19th March last, No 1233, sanctioned the continuance of one half of the lapsed pension of the late Ahomed Beg, a Mysore Stipendiary on the "Two Lac Pagoda" to the deceased's eldest son, as a life grant, for the benefit of himself & his coheirs.

2. The Officer in charge of the Vellore Office now reports that the eldest son is not altogether "compos mentis", & is therefore unfitted to do justice to the family. "Constant dissensions will take place". The remedy will appear to be to portion out the pension amongst those entitled to share in it, and the Govt has accordingly allowed the distribution noted in the margin, subject to the sanction of the Sup. Govt. Each recipient has been informed that the share will lapse with his or her life. - pp D.C. 21/6/58
