Fort Saint George, Political Consultation, 27th July 1858.

No. 13. From J. R. BOYSON, Esq., Honorable Company's Solicitor: to T. PYCROFT, Esq., Chief Secretary to Government, Fort St. George, dated 24th July 1858, No. 411.

SIR,

Minutes Consultation, dated 12th July 1858, No. 441, Political Department. Para: 1. I have the honor to acknowledge the receipt, on the 20th Instant, of the Extract from Minutes of Consultation, noted in the margin.

2. I forthwith submitted it for the consideration of the Advocate General and I have since communicated with him and with Kamatchee Boye's Counsel and Solicitor on the subject to which it relates.

3. I now forward a copy of the Advocate General's report and opinion.

COPY OPINION.

I am still of opinion that the breaking up of any Arms of the late Tanjore Raj, however old and useless they may be, is a measure much better avoided, unless a clear necessity for their destruction is shown, such as, in my opinion, has not yet been shewn.

As regards their removal, and that of the "Jewels, Ornaments, Regalia Arms and other valuables, at present distributed in the several Halls of the Tanjore Palace," into one place of security, I am of opinion that the Supreme Court would not regard such a measure, especially under the circumstances mentioned by Mr. Phillips, and noted in para: 3, of the Extract Minutes of Consultation now under reply, (No. 441, Political Department, 12th July 1858,) as any breach of its Injunction.

As however such a removal would involve a breaking of Seals, which might easily be misrepresented to ignorant females as an arbitrary setting at defiance by the Government of the Court's Injunction, I strongly recommend that Mr. Phillips should conduct the operation *in person* and moreover that he should give notice of it beforehand to Kamatchee Boye, and the other Ranees. In such notice it would, I think, be desirable to state shortly that the contemplated removal is to be made solely with a view to the security of the valuable property, and that of the Public Peace, bearing in view the recent daring gang Robberies within the Tanjore Fort itself. Care too should be taken to avoid any such expression as that of "setting at nought the Injunction of Her Majesty's Supreme Court," used by Mr. Phillips in his letter quoted in para: 2 of the Extract Minutes of Consultation, but rather in accordance with the spirit of para: 6, stating that the object was to carry out the spirit of that Injunction. I think too that it would be desirable, and in accordance with the spirit of para: 7, that the notice which I have suggested should also apprise Kamatchee Boye and the other Ranees that they are at liberty to appoint each one person on their behalf, (I say this as I understand they are by no means at one with each other, but form several parties none of whom trust the others or the others' Agents,) to witness the breaking of the Seals the removal, and the attaching of the new Seals.

To prevent any unnecessary misconception, I requested the Honorable Company's Solicitor to apprise Kamatchee Boye's Agent of the intended removal and of the circumstances under which it had become necessary. He strongly deprecated the destruction of any old Arms (though agreeing that the Supreme Court would almost certainly consider them *not* to be private property) as unnecessary and likely to be so misrepresented as to cause alarm and annoyance to the Ranees, but as to the removal of them and the Jewels, &c., for security, under the circumstances stated, he admitted there could be no objection, and that the Court could not regard it as a breach of the Injunction, though he considered it would be more regular not to assume the responsibility of judging whether it would be a breach or not, but to obtain the Court's leave in which case he would appear and at once consent on behalf of Kamatchee Boye. I mentioned the matter to the Court to-day saying that I did so merely out of respect to the Court, and to shew that there was no intention whatever of interfering with its Injunction, but that I did not make any substantive application, as in my opinion, what Government proposed to do was not forbidden by the Injunction, and therefore did not require any leave or order from the Court. The Chief Justice expressed

Fort Saint George, Political Consultation, 27th July 1858.

ed himself obliged for the motive of giving the information to the Court, but said that of course he could not be expected to express any opinion at present. Mr. Norton said that as he was in Court, he would say that he had been apprised of the matter and was himself fully satisfied of the expediency of the intended step, and should advise Kanatchee Boye to consent at once, but that to prevent misrepresentation and needless alarm he hoped the removal would not be made until he could communicate with his Clients, which he would do forthwith.

I think the slight additional delay that would be thus incurred will be a very small as to be quite immaterial, and I would suggest that Mr. Phillips be instructed not to commence the actual removal until he receives further orders from Government, which however he may expect in four or five days at farthest.

Advocate General.
