No. 7. EXTRACT MINUTES CONSULTATION, under date the 28th July 1858, No. 473.

1. In Paras: 8 to 10 of Extract Minutes of Consultation, dated 16th December 1857, No. 1054, the Government expressed their sentiments regarding the mode in which the Allowances attached to the Madrissa-i-Auzum should be employed on Education objects, and requested the Director of Public Instruction to communicate his views on their suggestions. Subsequently a letter from the Committee of Management, showing the necessity for the continuance of the Madrissa, was forwarded to Mr. Arbuthnot, under date 15th May 1858, No. 314, for his consideration, and his attention was again called to the subject in the Order of the 26th June 1858, No. 399, in consequence of a communication from the Chepauk Agent, reminding "that Government had resolved, after report from the Director of Public Instruction, on some final arrangements for the Madrissa."

2. No reply having as yet been received to these several references, the Governor in Council resolves to call upon Mr. Arbuthnot for a speedy report on the subject.

Extracts from a letter from the Government
Agent, Chhapra 9th July 1858 No. 1214

Para 9 Koolsum Begum is the Nicksah daughter of His Highness the Nabob Azem Ood Dowlah Bahadur. On the day of her Marriage, as she states, there was a house granted to her for a residence within the Palace grounds, which she has somewhat added to, and in which she ever since continued to reside.

10 As the Palace will soon be sold, she may be ejected at any moment and her case merits consideration: her son states that she would get an equal house outside for about 28 or 35 Rupees. I am informed ^{long} she threatens that she never will ^{leave} this house until another house be granted, and I recommend a life Allowance of Rupees 35 per Mensem for her house rent as was done in Norkhtar Oon Nissa Begum's case. She is a widow.

11 Hatamiah Begum, also a widow, is the Shadee daughter of His Highness Nabob Azem Ood Dowlah and in almost similar circumstances resides within the Palace grounds, I recommend for her life a house rent Allowance of equal amount, Viz. Rs. 35 per mensem.

12 Nabsah Ghousiyah Begum is married, she is half sister of the late Nabob, and has been making

claims as per margin. Three have not been proved by the records, but she has for many years been residing in one of the Sircar Houses recently sold (that known as Anjunn Bagh or Homes' Gardens.) I recommend a house rent Allowance to her life of Rspees 100.

13 Nabab Hadriah Begum is sister of Nabab Ghausiyah Begum, she is married and has all along lived and now lives with her mother Morkhtar Bon Nissa Begum, to whom was granted house-rent by Extract Minutes of Consultation, No 263, dated 16th April 1858. Government may or not consider it necessary to regard her case separately.

14 On the east face of the Chepauk Palace, there are a number of small tumble down dwellings, in which, each in her own place, resides Harms as per margin of the three Nababs Mohamed. Akhy Mallapah, Comdantool Comrah and Azem Ood Dowlah.

They are all very old women, and have all the querulousness and quarrelsomeness of infirm years, and if the Palace be sold, these aged people will require to be housed. They will not be induced to go to any member of the family, and I would recommend the grant to each of Rspees 25 per mensem as a house-rent allowance.
