EDWARD BALFOUR, *Commissioner.*

No. 23. Order thereon. No. 503; dated 10th August 1858.

The Governor in Council sanctions payment of the arrears of wages due to the Servants of the Mahakamah of His Highness the late Nawaub of the Carnatic as shown in the List submitted by the Commissioner, the aggregate amount due to the 33 parties named and payable to them or their representatives being Rupees (10,717-5-9) Ten thousand seven hundred and seventeen, five Annas and nine Pice. The course taken by the Commissioner in respect to Nos. 17 and 32 is approved.

2. The Commissioner has not yet submitted the information which he was called on, in Extract Minutes Consultation of the 5th Instant, to afford in communication with the Honorable Company's Solicitor as to the arrangement under which these payments are to be made. It is however understood from Mr. Boyson that the mode which has been concerted between himself and Dr. Balfour is that the Lists which will from time to time be forwarded by the Commissioner to Government are, on being sanctioned by that authority, to be communicated to the Civil Auditor and Sub-Treasurer, and that the several payments entered in those Lists will be made by the Commissioner to the parties entitled by means of orders in their favor on the Treasury, which will be paid by the Sub-Treasurer after they have been passed by the Civil Auditor. This plan seems judicious and is approved by Government.

3. Resolved that copy of this Extract be communicated to the Government Agent at Chepauk, and that copies of it and of the Commissioner's letter, and of the Statement that accompanied it, be forwarded to the Sub-Treasurer, Civil Auditor and Accountant General.

(Signed) T. PYCROFT.
Chief Secretary.
