The sum of arcot Rupees 400 of which the half is 200. I received on account of the arrears of my salary deferred to the Pumpmd Sissa through Hoossain Cadfoollah Khan Bahadoor. Deputy Treasurer of the Circar dated 7th July 185—

Seal of Mustafa Cad Dowlah Bahadoor

Rupees 400.

We observe from these accounts that it was a practice in the Household of the late Highness in some Cases to defer some portion of the Salaries of persons employed to the Pumpmd Sissa and in other Cases portions of such Servants wages was deferred to the future.— This practice was discontinued in 1850.— According to the Abstract of this Department on account of Employed Servants there was a sum of Rupees 14119 - 5 = 0. entered as deferred to the Pumpmd Sissa and Rupees 950 = 0 = 0. deferred to the future but these sums are found not

included in the Abstract and the sum of Rupees 5969. 5. 3. paid to Servants Stated on account of sums deferred to the Tunjum Kissa we have treated as Payments made on account of the Abstract generally, as also a sum of Rupees 101. Stated to have been paid on account of sums deferred to the future. There not being produced any order from the late Nabob to make such payments on account of sums deferred.

We likewise observe a discrepancy between the Circar Treasury Records and those of the Department Mauds Kurtch, in the Amount of Payments said to have been made to the extent of about Two Thousands Rupees.

Resolved that this be investigated before finally Reporting on the Amount due to Servants. —

In accordance with our Memo of. 2d Instt, Madar Ool Oomrah Bahadoor produced a letter from His Highness the Nabob of the Carnatic dated 30th December 1843 addressed to Shurf Ool Moolk Bahadoor then Dewan in which are words, of which the following is a Translation "Also intimation is given to that Bahadoor that in accordance with your wish, may with something additional on the 1st of Mohorrum the Commencement of our Year it will be, i.e the distribution of the Dor 3 Months Salaries to whatever Amount may be due."-

He further produced a Copy of a letter Sent by him to the Nabob, without date, Containing the following words.

At a Meeting of the Commissioners held on Saturday the 19th June 1858.

Present
C. Balfour Esquire
C. M. Reed Esquire
Madar Ool Comrah Bahadoor.

In our proceedings of the 29th May 1858 / Vol. 3. Page 350 / we made the following observation.

"We likewise observed a discrepancy between the Circar Treasury Records and those of the Department of Mudud Kurtch in the Amount of Payments said to have been made, to the extent of about two Thousand Rupees."

"Resolved that this be investigated before finally Reporting on the Amount due to Servants."

With Reference to the above, we have failed to ascertain wherein the difference exists in the Amount

"Your Highness mentioned that you would be pleased to grant the whole of the arrears, and further observed the pay of every Month would be distributed on the first of the Month succeeding."

A leaf of a Journal is also produced from the Treasury dated 24th March 1844 in which is entered the following

"Now from the Nabob through Totah Ram Delayet on account of arrears Fifty Thousand Rupees"

Resolved that the above be included in our Proceedings which are to be sent to Government along with our Report on the Mudud Kurtch. Department in support of the opinion of Madar Ool Comrah Bahadoor that the arrears paid on account of Deferred Sums should not be reckoned in the Payments on Account of the Monthly Abstracts.

given as paid from the Treasury Records Nett Rupees 11,96,984= 8=3. and that from those of the Department Nett Rupees 11,94,682= 8=0 being a difference of Rupees 2301= 15. 9. We have been unable to discover the cause of the discrepancy. This failure seems to be owing to the circumstance that this Department has made no money payments by its own Officers, but merely issued written orders for such, payable at the Treasury, and the form in which the Records of this Department have been kept has occasioned difficulties in tracing the discrepancy as to the precise Amounts of such Money orders issued, and the Amounts actually paid on them.

The difference Rupees 2301= 15= 9 is a small item in the large Amount of nearly 12 lacs of Rupees and we accordingly resolve in Order to come to a final resolution to take the Abstracts as given from the Departmental Records and the Payments as per the Treasury records, with a view of ascertaining the grand totals paid and left unpaid to the Servants and Retainers of this Department. The effect of which will be to shew Rupees 2301= 15= 9. to have been paid to the Department, more than is shewn by the Departmental Records to have been issued by the Department. We finds.

The Abstracts as per Departmental Records..... } 1409866.5.

The payments as per Treasury Records... } 1196984= 8=3

Total unpaid on the Abstracts Rs... 212881=12=9

In noticing this difference Resolved to indicate the necessity, when the Services of the individuals of this department are being verified and their respective Amounts examined into, of drawing out an account for each person and so find the particular Amounts due to each person as per Abstracts and the payments made to the particular individual and entered in the Departmental book for payment of Salaries to Servants employed in the Department.
