G.O. No. 523 Press ~~Mis.~~

Dated 16 8 ~~18~~ 1858

Not to be folded or roughly handled

No. 38. From Surgeon E. G. BALFOUR, Government Agent at Chepauk; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 10th August 1858, No. 1391 of G. A.

I had the honor of receiving to-day the Extract from the Minutes of Consultation, No. 500 of yesterday's date, and sent it to Her Highness Nabob Khyre Oon Nissa Begum, with a letter of which copy is subjoined.

2. I have the honor to mention that the Mohurrum month commences with the new Moon, to-day or to-morrow, and would recommend permission to eject being withheld until the first 13 days of the month have passed.

3. On the one point, as the Honorable the Governor in Council is aware, from the Memorial received sent to me in Extract Minutes of Consultation, No. 479, dated 30th Ultimo, the sole inmate of Pater's Garden refuses to quit it unless for the Chepauk Palace, and will not obey the orders of Her Highness Nabob Khyre Oon Nissa Begum.

4. On the other point, at present, under no circumstances whatever, in my opinion, should Government permit issue of "process against the person and property of Her Highness for enforcing the payment of such costs."

5. Up to this moment there has not been presented (at least not through this Office,) any Bill for Her Highness to pay, and, until so presented and refused, even the question of issuing process against Her Highness' property, and person seems to me premature.

No. 1388 of G. A.

No. 39. ORDER THEREON, No. 523; dated 16th August 1858.

Ordered to be communicated to the Honorable Company's Solicitor, in reference to his letter of the 6th Instant.

The Governor in Council has already caused the Begum to be informed that unless she makes arrangement for the payment of the taxed costs in the action of Ejectment, permission will be granted to issue process against her. From this declaration he cannot withdraw. The Bill referred to in para: 5. will no doubt be presented in due course, when Her Highness must satisfy it as the only means of saving herself from the alternative already pointed out to her.
