Fort Saint George, Political Consultation, 24th August 1858.

No. 24. MINUTE OF CONSULTATION under date the 24th August 1858, No. 543.

Read the following Despatch from the Honorable the Court of Directors, dated 15th July, No. 7 of 1858.

1 to 6. Review the proceedings of Government for winding up the Affairs of the late Rajah of Tanjore and providing suitably for his relatives and dependents. Observe that these proceedings were checked by the Suit instituted in the Supreme Court by Kamatche Boye, the senior Widow of the Rajah, claiming for herself as his heir all private property belonging to him, that the Court have given judgment in favor of the Plaintiff and that the Government have taken measures for carrying the case before Her Majesty's Privy Council in Appeal. Until therefore the decision on this Appeal is obtained, forbear to comment upon the legal features of the case.

7. Remark that unnecessary delay has occurred in taking measures for extending the direct authority of Government over the small district which was under the Rajah's authority.

8. Intimate that the request of Succaram Row, husband of the Rajah's eldest daughter, that the Raj may be re-established in his favor, is wholly inadmissible

The Government resolves to furnish a copy of this Despatch to the Commissioner of Tanjore for his information, and to request that he will communicate to Ry Saccaram Row Sahib the decision of the Honorable Court conveyed in the last para: on his Memorial submitted with the Acting Resident's letter, dated 16th November 1857, No. 351.
