No. 40. From Surgeon E. G. BALFOUR, Government Agent at Chepauk; to T. PYCROFT, Esq., Chief Seceretary to Government. Fort St. George, dated 18th August 1858, No. 1429 of G. A.

SIR,

I have the honor to report to Government on the subject of the order, No. 1134 of 1858, on Petition of same No.

In accordance with the orders of Government, that the Dewan of the Durbar should keep the expenditure within the income, this Office, on the 17th December 1855, sent a list of reductions which he would recommend, amongst which was one of Rupees 139, out of a sum of Rupees 169, for "dedications to the Saints," the Dewan recommending that the balance of Rupees 30, should be continued, without mentioning for what purpose or object the continuance was to be made.

In sending on the Dewan's lists with my letter, No. 85, dated 20th December 1855, I submitted an enclosed modification of the Lists which the Dewan of the Durbar had prepared, and amongst other items of proposed reduction will be observed the Rupees 139 above alluded to.

The Right Honorable the Governor in Council in para: 3 of Extract Minutes of Consultation, No. 18 of 17th January 1856, sanctioned the said reduction.

Fort Saint George, Political Consultation, 24th August 1858.

I reported this in my letter, No. 233 of 14th August 1857, and order, No. 678 of 26th August 1857, adhered to the 1856 Order of Government. See also Order, No. 1580 of 1857, dated 31st July, and in para : 4 of my letter, No. 354 of G. A. of 14th December 1857, I again alluded to these Individuals' names and asked Government to reconsider their former orders, but in para : 5 of Extract Minutes of Consultation, No. 77 of 28th January 1858, the fact of the discontinuance on the 17th January 1856 of all the Rupees 169 was not noticed. The applicants were not however Pensioners, as they claim. They were formerly Becars, and on the 29th March 1843, these two sums were equalised and Rupees 15 allotted to each and received the same as a Neeaz under this explanation. The Right Honorable the Governor in Council will observe that they are only Neeaz people at the most; that their exclusion resulted from their names not being sent to the Agency in any list; and if Government consider them to merit $\frac{1}{2}$ rate like other Neeaz people, their names can be inserted in the Supplementary lists under preparation.

No. 41. ORDER THEREON, No. 548; dated 24th August 1858.

Under the explanation afforded, Government approve of the suggestion that the names of these two Petitioners should be entered in the Supplementary Lists, as Recipients of "Neazut," allowance from the late Nabob.

Chief Secretary.
