No. 15. From J. R. BOYSON, Esq., Honorable Company's Solicitor; to the Chief Secretary to Government, Fort Saint George, dated 30th August 1858, No. 460.

SIR,

Para: 1. The person named Shereen and referred to in para: 2 of my letter to Government of the 6th Instant No. 425, not having yet vacated "Pater's Gardens" and there not being, so far as I have been able to learn, any probability whatever of her so doing until coerced, I have the honor to suggest and advise that the Right Honorable the Governor in Council should forthwith grant permission for the issue of a Writ of *Habere facias possessionem* in the action of Ejectment lately instituted by the Messrs: Richardson for recovering possession of the premises in question.

2. I have done all that was possible to avoid this step but without success, and it seems to me very undesirable on public and Political grounds that any of Her Majesty's Subjects should be permitted to suppose that they can set the recognized Law of the land and the proceedings of a duly constituted Court altogether at defiance.

No. 16. ORDER THEREON, No. 561; dated 31st August 1858.

The Governor in Council resolves, under the circumstances represented, to grant the requisite permission for the issue of a Writ of *Habere facias possessionem* in the action of Ejectment instituted by the Messrs: Richardson for recovering possession of "Pater's Gardens."

The Chepauk Agent will cause this Resolution to be immediately communicated to the person named Shereen, in order that she may at once vacate the premises in question or take the consequences.

(Signed) T. PYCROFT,
Chief Secretary.
