SIR,

Adverting to the progress which appears to have been made in legalizing the measures necessary for bringing the Tanjore Fort under the laws of the Madras Code.

3. I would further solicit authority for regarding the cost of the Police and Scavenger Establishments as a charge to be borne by the Government itself, from the date on which the new Act shall have effect in the area heretofore exempt from the jurisdiction of the ordinary Courts.

4. At present, as the Government are aware, the expense is a debit against the representatives of the late Rajah, being drawn for monthly in the Palace indent, under the signature of the Serkele.

In reference to the measures that are in progress for bringing the Fort of Tanjore and the adjacent tract under the laws of this Presidency, the Commissioner now solicits the orders of Government on the Police arrangements proposed in his letter of the 24th July 1857, No. 199. These are:

3rd. To entertain a Cutwal for the Fort of Tanjore on 17½ Rupees a month.

* Police..... Rupees 340. Rupees per mensem, making the aggregate outlay on this account Rupees 497, exclusive of the cost of the Scavengers' Department.

2. The Governor in Council sanctions these arrangements, which will have effect from the date of the Fort of Tanjore being brought under the Madras Regulations, the expense being borne by Government, and he requests that the Commissioner will state what Scavenger Establishment he would propose to be entertained permanently, their expense being defrayed from the same source.

3. The Commissioner will submit the above arrangements in the usual Tabular Form for the confirmation of the Government of India, at the same time with the Establishment (First Class) of the District Moonsiff's Court, and any other charges that may be required under the change of system, with full explanation of their necessity, in order that sanction for the whole may be applied for at the same time.
