No. 9. From Surgeon E. G. BALFOUR, Government Agent at Chepauk; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 8th September 1858, No. 1545 of G. A.

SIR,

The Right Honorable the Governor in Council in Extract Minutes of Consultation, Nos. 318, 396, and 766, dated 24th April, 20th May and 12th September 1857, commanded that the arrears declared by the Commissioners to be due, from January to September inclusive of the year 1855, to the Ex-Servants of the late Nabob of the Carnatic, should be paid through the Agency.

2. With letters, Nos. 92 and 35, dated 26th August 1857 and 29th April 1858, the Commissioners sent two books containing names of persons in the different Departments who were to be paid and the amounts due to each.

3. Since receipt of these orders and lists I have been engaged in issuing to the Ex-Servants or their heirs, &c., the several amounts declared to be due: The Grand total in the two books received from the Commissioners, as due, amounted to Rupees... 2,21,431 9 5, of which I have paid Rupees ... 1,86,038 0 7, leaving a balance still unpaid of Rupees ... 35,393 8 10.

4. This unpaid balance of Rupees 35,393-8-10 was awarded as due to 33 Individuals whose names have been extracted to form the List appended marked B. To 19 of whom Rs. 31,983-1-1 are, if Government so rule, actually to be paid, see Appendix C. Among these to the Prince Azeem Jah Bahadoor is due the largest sum, viz., Rupees 20,800 to himself, and to him as his Mothers' heir Rupees 5,792; A sum of Rupees 7,970 is there exhibited as due to Her Highness Nabob Khyre Oon Nissa Begum, but as Rupees 2,970 have been already deducted from the amount due to her, as per Extract Minutes of Consultation, No. 810, dated 23rd September 1857, for payments made to Sircar Servants, on her account only, the balance of Rupees 5,000 remains due to Her Highness as per Extract Minutes of Consultation, No. 218, dated 27th March 1858.

5. To other 14 Individuals, see Appendix D, Rupees 439-10-0 and to Her Highness Nabob Khyre Oon Nissa Begum, the abovementioned Rupees 2,970 appear to be due by the Commissioners' awards, but these two sums* amounting to Rupees 3,410-7-9 are not to be issued to the parties for the reasons set opposite the respective items.

6. The fact of payment of arrears being patent to very many thousands of people, perhaps to every Mahomedan, in this City, the Right Honorable the Governor in Council will recognize that the non-appearance of the few persons who have not come before me is a voluntary abstaining on their part, and that any measure summoning them is uncalled for. In order, however, that Petitions or complaints may not be made in future, I have written to the Dewan of the Durbar to summon the absentees: One or two have come in, in consequence, but some others who have unwillingly appeared have evinced by their manner their unwillingness to apply for their arrears, and the letter of the 14th Instant from the Dewan† will shew the feelings which actuate His Highness the Prince.

7. Under these circumstances, I ask permission to summon such absentees as Government may deem necessary, to appear within one month from date of notice, failing which their claims will be excluded.

8. Since addressing Government in letter, No. 256 of 2nd September 1857, the List then received obtained corrections from the Commissioners.

9. When addressing Government on that date; the List shewed arrears due to the extent of Rupees... 2,17,352 0 2, subsequent corrections shewed the awards to Individuals to amount to Rupees... 2,17,417 14 11, an increase on that sent to Government of Rupees... 65 14 9. Subsequent thereto on the 29th April 1858, I received from the Commissioners, what their letter calls a corrected list, but it contained also awards of additional arrears to the extent of Rupees 4,013-10-6. These were of servants who had not appeared, whose claims to be servants were subsequently admitted, or who after the former report had their services verified.

Fort Saint George, Political Consultation, 28th September 1858,

The sums in the different Departments were as follows :

which is the amount recorded in para: 3.

10. I have the honor to report that performance of duty of this kind requires great vigilance, and that very many points have simultaneously to be attended to. We have taken great care in the Agency duty to complete this work, and it seems perfect. As making payments of these 1855 arrears, awarded by the late Commissioners, have been extended over the long period now of 12 months, and it is advisable that the transactions should be wound up, so far as the Government Agent at Chepauk is concerned.

11. I beg to solicit attention to List in Appendix C, to whom, if Government so rule, arrears for 1855, as mentioned therein may be ordered to be paid, and as a knowledge of these parties is all that remains to be imparted connected with the duty which was entrusted to the Agency, I have the honor to enclose

‡ 1 Book, No. 1 for arrears of 1855, received from the Commissioners.
 2 " No. 2 " " " " " " "
 3 " for arrears of 1855, paid by the Agency bearing the signa-
 tures of the Owners on issue of countersigned Receipt.

4. *Statements of claimants for arrears of 1855, and paid by the Agency bearing the Signature of the Government Agent in verification that the claims correspond with the awards of the Commissioners, and the receipt and acquittance of the parties, with the dates on which the payments were made; and also with Petitions, Warisnamahs and Vakalatnamahs attached, marked Letters A to V Inclusive.*

12. If it be deemed advisable that further efforts should be made to cause the appearance of the persons enumerated in Appendix C, I have the honor to recommend that copies of the same be furnished to the Accountant General, Civil Auditor and Sub-Treasurer and the Agency can advertise in all the Mahomedan Newspapers, and post advertisements in public places, summoning all such claimants to appear within one month, failing which they will forfeit all claims.

APPENDIX A.

From MADAR OOL OOMRAH, Dewan of the Durbar; to E. G. BALFOUR, Esq., Government Agent at Chepauk, dated 14th August 1858.

SIR,

In reply to your letter of the 10th Instant, I beg to mention that, of the parties therein specified, those that are alive and the heirs of those that are dead have been warned by me to submit to the Agency their claims to the arrears of wages due for 1855. I communicated the same to His Highness the Prince Azeem Jah Bahadoor also, who in reply stated that he would not recognise the arrangements concluded by Government with respect to the Sircar until he has received a reply from England, and that therefore he has not drawn the arrears of his own and His late Mother's Allowances.

GOVERNMENT AGENT'S OFFICE,
8th September 1858.

(Signed) EDWARD BALFOUR,
Government Agent.

No. 10. ORDER THEREON, No. 633; dated 24th September 1858.

By Extract Minutes of Consultation, dated 24th April 1857, No. 318, in which was reviewed the first report of the Commissioners on their investigation of the claims to arrears of Allowances and Wages due for the year 1855, to the date of the demise in that year of the late Nawaub of the Carnatic, authority was granted (in para: 10) for the disbursement of the arrears to the members of the family and the servants amounting, exclusive of the sums* due to the mere Retainers, to Rupees 2,25,325-6-0. The Chepauk Agent was at the same time entrusted with the duty of making the payments, and the arrears to the servants in the various Departments of the Sircar were ordered to be paid as fast as their services could be verified.

* Rupees 49,498-2-6 to Beycars, Neeazaat, Saadat, &c.

2. With his letter of the 2nd September 1857, No. 256, the Agent submitted a communication from the Commissioners, in which they reported having entered into a verification of the Services of the several claimants and furnished Lists showing the sums to which they were considered to be respectively entitled. The arrears found to be due to them were Rupees 2,17,352-0-2 or Rupees 7,973-5-10 less than the amount previously reported to Government.

Fort Saint George, Political Consultation, 28th September 1858.

3. From the Agent's letter above recorded it appears that by subsequent corrections made in the Lists by the Commissioners the amount of their awards was raised to Rs. 2,17,417-14-11, or Rupees 63-14-9 above the sum found by them after verification of Service, and that finally on the 29th April last a revised List was furnished by the Commissioners, which contained also additional awards to Servants who had not before appeared and whose claims were subsequently admitted, or who after the former report had their services verified. These arrears amounted to Rupees 4,013-10-6, making the total sum adjudged by them Rupees 2,21,431-9-5, or Rupees 3,893-12-7 less than the amount originally reported.

4. Of the above mentioned sum the Agent has disbursed Rupees 1,86,038-0-7, leaving a balance of Rupees 35,393-8-10 unpaid, which is shown by the List B, appended to his letter to be due to 33 Individuals. Of these, 19 are actually entitled to receive Rupees 31,983-1-1, but have not applied for payment of the sums due to them. From the separate List of their claims marked C, it appears that the largest amount is payable to the Prince Azeem Jah Bahadoor, viz., Rs. 20,800 due to himself and Rupees 5,792 on account of his mother's* estate. There is also a sum of Rupees 5,000 entered in the name of Nawaub Khyre Oon Nissa Begum, this however is the amount of arrears due to the Ex-Steward Itebar Jung and Shajee Ool Moolk Bahadoor, which at the request of Her Highness was deducted and kept in deposit pending the settlement of her claims upon those Individuals. The Government are of opinion that the sums actually due to the above mentioned parties should be at once ascertained. They cannot permit the matter longer to lie over. The Agent will therefore request Her Highness at once to furnish the particulars of her claims upon these Servants, intimating to her that if this be not done within the space of one month their arrears as above of Rupees 800 and Rupees 4,000 respectively will be paid to them and the affair closed. If Her Highness does furnish the particulars the Agent will settle between her and the Servants, or if he cannot bring them to terms, will report to Government the course which he would advise being pursued.

* Saeed Oon Nissa Begum. estate. There is also a sum of Rupees 5,000 entered in the name of Nawaub Khyre Oon Nissa Begum, this however is the amount of arrears due to the Ex-Steward Itebar Jung and Shajee Ool Moolk Bahadoor, which at the request of Her Highness was deducted and kept in deposit pending the settlement of her claims upon those Individuals. The Government are of opinion that the sums actually due to the above mentioned parties should be at once ascertained. They cannot permit the matter longer to lie over. The Agent will therefore request Her Highness at once to furnish the particulars of her claims upon these Servants, intimating to her that if this be not done within the space of one month their arrears as above of Rupees 800 and Rupees 4,000 respectively will be paid to them and the affair closed. If Her Highness does furnish the particulars the Agent will settle between her and the Servants, or if he cannot bring them to terms, will report to Government the course which he would advise being pursued.

5. In regard to the other 16 Individuals mentioned in the List C. the Government approve of the Agent's proposal to summon them to appear within one month from the date of Notice, failing which, sums due to them will be carried to account, and desire that he will do as suggested in the last para. of his letter for giving publicity to his Notice, copies of the List will be furnished, as recommended, to the Offices of Account, Audit and payment.

6. The remainder of the unpaid balance, as shewn, in the List D. to be due by the Commissioners' awards, amounts to Rupees 3,410-7-9, of which Rupees 439-10-0 stand in the name of 14 persons and Rupees 2,970 in the name of Her Highness Khyre Oon Nissa Begum. This latter sum, it was shown in the Commissioners' letter of the 12th September 1857, No. 93, ought properly to have been charged against the Begum, and it was accordingly deducted from the amount, Rupees 90,933-6-0, reported to be due to Her Highness. There remains of course nothing to be issued to the Begum.

7. As regards the sum of Rupees 439-10-0, it appears from the Column of remarks in the List that it comprises payments already made, double entries, arrears to Pensioners and a Beycar and also to Infants. With respect to the cases of the two Infants entered in this List, it is observed that the Agent in his letter of the 24th Ultimo, No. 8, para: 12, proposed to issue the arrears in such cases to the substitutes who actually performed the duties for the time, and the Government approved of this proposal. The Agent will follow the same course in settling the claims to the awards in the above two cases.

8. There is also an instance of a Servant who, it is stated in the Column of remarks, "never performed any duty since 5 years," and therefore, it is presumed, the arrears found to be due to him are not to be issued. It is not however clear whether the party actually served for the period for which the arrears have been awarded to him by the Commissioners, that is during the year 1855. If he did, he is entitled to receive the amount, and this should be accordingly disbursed to him by the Agent.

9. With these remarks, the Government grant their special sanction to the amount actually disbursed by the Agent, Rupees 1,86,038-0-7, and direct that the Books, Statements and Vouchers forwarded by him be lodged in the Record Office, until called for by either the Office of Account or Audit for any purpose connected with the duties of their respective Departments.

and Steber Jung and the
-jurnal Koolk Bahadur,
which at the request of
Her Highness was order-
ed deducted and kept
in deposit pending the
settlement of her claims
upon those individuals.
The Gov. are of opinion
that the sums actually
due to the above men-
tioned parties should
be at once ~~disbursed~~
them, ~~unless the Agent~~
~~is satisfied that the Rs.~~
~~sums will be able to be~~
~~settled by claims within~~
~~one month.~~ They can
not permit these pay-
ments to be longer de-

the ~~part~~ ~~of~~ ~~the~~ ~~sums~~ ~~entered~~

The Agent will settle between him & the servants - or if
he cannot bring them to terms will report to you
the same which he will
advise being pursued -

demands against the
actual claimants.

5. In regard to the
other 16 individuals men-
tioned in the List C, the
Govt approve of the Agent's
proposal to demand them
to appear within one month
from the date of notice,
failing which ^{the sums due} ~~they will be given to the Government~~ ^{to them will be given to the Government} ~~with interest~~ - &
desire that he will do as
suggested in the last para
of his letter for giving pub-
licity to his notice. Copies
of the List will be fur-
nished, as recommended,
to the Officers of Account,
Audit and Payment.

6. The remainder of
the unpaid balance, as
shown in the List D to
be due by the Commissioner
amounts to Rs.
340-7-9. of which Rs.
409-10 stand in the
name of 16 persons, and
Rs.

Rs. 2748 in the name of
H. H. Rhye son of
Ragun. This latter sum,
it was shown in the
Commissioner's letter of the
12 September 1857. ^{ought} ~~properly to~~ ^{have been charged}
against the Ragun,
and was accordingly de-
ducted from the amount
Rs. 90903-02 reported to
be due to Her Highness.
There remains of course
nothing to be issued to
the Ragun.

7. As regards the
sum of Rs. 117-10, it ap-
pears from the Column of
Remains in the List that
it comprises payments
already made - double
entire - arrears due to
pensioners & a Begar and
also to Infants. With
reference to the ^{cases of the} ~~cases of the~~
two infants entered in
this List, it is observed
that the Agent in his
letter of the 24th ultimo
has para 12 proposed
to

14. Richard Ragun
15. Pensioner

since the amount in such cases to the Substitute who actually performed the duties for the time, and the Govd approved of this proposal. The Agent will follow the same course in settling the ^{to be awarded} claims in the above two cases.

8. There is also an instance of a Sergeant who, it is stated in the Column of Remarks, "never performed any duty since 5 years" and therefore, it is proposed, that the amounts found to be due to him are not to be issued. The Govd cannot accept this as a sufficient reason for non-payment. If the party ~~has~~ actually done ~~it~~ for the period for which the amounts have been awarded to him by the Commissioners, he

is justly entitled to receive the amount, and this should be accordingly disbursed to him by the Agent.

9. With these remarks, the Govd grant their special sanction to the amount actually disbursed by the Agent, Rs. 100,000-0-7, and direct that the Books, Statements and Vouchers forwarded by him be lodged in the Record Office, until called for by either the Office of Account or Audit for any purpose connected with the duties of their respective Departments.
