No. 15. From Lieutenant Colonel G. BALFOUR, Inspector General of Ordnance and Magazines ; to the Chief Secretary to Government, Fort Saint George, dated 17th September 1858, No. 327.

SIR,

Referring to the Act passed for the settlement of the late Nabob's affairs, I have the honor to bring to notice that, under Resolution of Government in the Political Department, No. 606, dated 22nd July 1857, I have certain Ordnance Carriages, Swords, Arms and Stores in deposit in the Arsenal, and I have to beg to be favored with the wishes of Government as to the course I shall take in respect to this property.

2. The Receiver, under Section V has full power to act as he sees fit in respect to all property, and I am inclined to recommend Government to allow me to arrange, if possible, to take over all the articles or such portions as I may see fit on behalf of Government; provided I can approve of the valuation.

3. I would endeavour to give for the articles the due rates that I would assign to like articles obtained from Bengal or Bombay, and where rates do not exist (as for some Fancy Swords) I would endeavour to affix a fair valuation.

4. I shall be aided as to the state and value of the articles by the Principal Commissary of Ordnance, Superintendent Gun Carriage Manufactory, Director Artillery Depot, each in their respective branches.

5. I am aware that the Receiver can act without reference to me.

Ordered that the foregoing letter be furnished to the Receiver of the Carnatic Property, and that he be requested to communicate with the Inspector General of Ordnance on the subject.
