Fort Saint George, Political Consultation, 19th October 1858.

No. 6. From CLEMENT DALE, Esq., the Receiver of the Carnatic Property; to THOMAS PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 16th October 1858, No. 11.

SIR,

Para: 1. I have the honor to request that I may be permitted by the Right Honorable the Governor in Council to open an Account in my Official capacity as "the Receiver of the Carnatic Property" at the General Treasury at Fort Saint George.

2. I have reason to believe that it is not the practice usually followed for Public Officers to be permitted to keep a Banking Account (which is in fact what I request) at the General Treasury, but that where Accounts are required to be kept by Public Officers at the Presidency, such Accounts are kept at the Bank of Madras. Assuming such to be the fact I would observe that the object of my opening an Account is, 1stly, security for such sums as I may receive, either from the Assets of the Nabob's Estate or from Government under the provisions of Act No. 30 of 1858, and 2ndly, for facilitating the disbursement of such sums as I may be required to pay. I admit that both those objects will be attained by my opening an Account with the Bank of Madras, and from its being nearer to my Office than the Treasury, greater facility would be afforded to me in the transaction of my business; but it occurred to me that Government might prefer that I should keep an Account at the Treasury, as thereby it might prevent large sums being drawn out of the Treasury until actually disbursed to the Claimants; probably however that may not weigh with Government, as it is not likely that Creditors will permit my Cheques to remain unrealised beyond a very short period.

3. I have been in communication with the Sub-Treasurer on the subject, and I am aware that he sees reasons which in his opinion should weigh against my request being granted.

No. 7. ORDER THEREON, No. 678; dated 18th October 1858.
