Fort Saint George, Political Consultation, 29th October 1858.

No. 8. MINUTE OF CONSULTATION, dated 21st October 1858, No. 692.

The Governor in Council proceeds to pass orders on such portions of the following Despatch from the Honorable the Court of Directors, as call for notice.

Dated 30th August, No. 9 of 1858.

Para : 2. Authorize a compliance with the prayer of the Memorists Gholam Hoossain Khan Sirdar Jung and Tooral Ally Khan, for the restoration to them of the portion of their Stipends which had been forfeited by their overstaying their leave of absence, under the peculiar circumstances of their case.

2. Ordered to be communicated to the Government Agent at Chepauk, with instructions to restore to Gholam Hoossain Khan Sirdar Jung and Tooral Ally Khan the portion of their respective Stipends which were forfeited by their overstaying their leave of absence.

Para : 3. Are still expecting the report which has been required from the Chepauk Agent on the affairs of the late Shah Sowar Jung.

3. The Agent was requested in Extra Minutes of Consultation, dated 28th August last, No. 558, to furnish the information here required and his attention was lately called to the subject by an Official Memo :

Para : 5. Review the Financial Report of the Cochin State for 1855-56. Are of opinion that the lac of Rupees invested in the Government Loan, from the balance of the surplus receipts from the Revenue of Tobacco, might probably have been expended with greater benefit to the Government as well as to the people on reproductive Public Works. Approve the spirited conduct of the Ryots referred to by the Resident in opening at their own expense Channels of irrigation on both sides of the Arrimallee River, and consider that this spirit ought to receive encouragement from Government.

4. A copy of this para : will be furnished to the Resident, and he will be requested to draw the attention of the Cochin Sirkar to the remarks of the Honorable Court, regarding the money invested in the Government Loan.

Paras : 6 & 7. Notice that the expenditure of the year in the Travancore State was greatly in excess of the receipts, and are of opinion that the "moderate revival" contemplated by the Dewan, "of gratuitous labor on the part of Ryots" ought not to be countenanced by Government.

5. These paras : will also be communicated to the Resident of Travancore, and his attention drawn to the remarks of the Honorable Court in para : 7.

Para : 8. Fully expect that the suggestion of the proper measures for the supersession, by a more healthy fiscal system, of the Tobacco and Pepper Monopolies in the Travancore and Cochin States, and other matters, must eventually proceed from Government.

6. Communicated to the Resident of Travancore and Cochin. The Honorable Court will have learnt from the proceedings reported in paras : 16 and 17 of the Despatch, dated 24th August last, that the Government await the Report of the Resident on the subject.

Para : 9. Remark upon the representation made by the Dewan of Cochin of the injurious effect which Act IV of 1848 has had on the export trade of the Port of Malliaporam.

7. Ordered to be communicated to the Resident, who will give his consideration to the subject of this representation of the Dewan of Cochin.

Para : 11. Observe that the friendly assurances of attachment to the British Government, of the Travancore and Cochin Rajahs and the liberality of the former were acknowledged in a proper manner by Government.

8. Communicated to the Resident of Travancore.

Fort Saint George, Political Consultation, 29th October 1858.

Para: 13. Wait for the information called for from the Resident of Travancore and Cochin, regarding the Bimboms.

Para: 16. Observe that Government consider Gholam Hoossain Saheed to have no claim to a Pension and are probably right, but that his case should have been stated and discussed in the usual manner by the Government Agent at Chepauk.

Paras: 17 to 19. State that until legal proceedings now pending before the Tribunal of Appeal in England are concluded, all measures with reference to the family or property of the late Rajah of Tanjore, must be of a merely provisional character. Sanction the measures adopted for providing for the management of the Choultries connected with the family and their endowments, including the continuance of Rupees 9,350 per annum to some of the Choultries in lieu of the contributions made to them by the Rajah. With reference to the claim of Nagapa Naick to a sum alleged to have been due to him by the Rajah, observe that when the time comes for an enquiry into the Rajah's debts Nagapa may prefer his claim against Government or against the heirs, but that at present the prayer of his Memorial must be rejected.

Para: 21. State that the papers relating to the Tanjore Cause have been communicated to their Law Officers.

9. The Honorable Court will be referred to the papers noted below for the further proceedings of Government on this subject.

Consultation, 24th August 1858, Nos. 5 and 6.

10. Copy of this para: will be furnished to the Government Agent at Chepauk for communication to the Memorialist.

11. These paras: will be communicated to the Commissioner of Tanjore for his information.

12. Ordered to be communicated to the Honorable Company's Solicitor.

A copy of this Para will be furnished to the Resident of the Cochin State and he will be requested to draw the attention of the Cochin Sirkar to the receipt of the money inserted in the Government loan. The balance of the surplus receipts from the Revenue of the Cochin State, might probably have been expended with greater benefit to the Govt as well as to the people on representative public works. The spirit of the report referred to by the Resident in opening up their own expenditure channels of irregularity on both sides of the Government is a matter of regret that this spirit should be encouraged in the Government.
