No. 23. MINUTES OF CONSULTATION, dated 26th October 1858, No. 702.

The Governor in Council proceeds to pass orders on the following Despatch from the Honorable the Court of Directors, dated 1st September, No. 10 of 1858.

Paras: 2 to 11. Notice the further proceedings of Government regarding the Carnatic Family and Stipends. Approve the measures in progress for disconnecting the Government from all interference with the maintenance of the Tombs of the Nawaubs. Are generally inclined to agree with the Government in the various cases in which they have dealt more liberally with the claimants to Stipends than the Chepauk Agent recommended. Notice the decision of Government in fixing the allowance of Khyre Oon Nissa Begum, widow of the late Nawaub, at Rupees 9,350, instead of Rupees 7,000 as previously sanctioned, and also the manner in which it is proposed to deal with the claims of the persons hitherto supported by her. Observe that it is not stated what is the present intention of Government regarding Itibar Jung, late Khansaman of the Begum's household. Apprehend that if he is entitled to a pension at all, it must be from the Begum. Remark on the relief which the Commissioner of Police has been authorized to grant to the distressed Mahomedans, owing to the cessation of the service and alms obtained from the Nawaub, and other deceased Stipendiaries, and on the proposal to establish, on the basis of the Nawaub's Lungur Khana, an institution to be connected with the Hospital at Triplicane. Presume it is the intention of Government to limit the future benefits of the charity to persons who, besides being destitute, are infirm or incapable of work. Notice that the Prince Azeem Jah has been required to discontinue the small body of armed Sepoys whom he had for many years in his service. Are desirous of sparing to the Prince this loss of the insignia of rank, and would not object to his being allowed to retain a few such armed attendants.

2. Ordered that copies of these paras: be furnished to the Government Agent at Chepauk for his information, and that he be requested to state, in reference to para: 11, what Sepoys, Cavalry, Infantry or Artillery, the Prince Azeem Jah used to maintain, of what ranks and at what rates of pay, as also what arrangements he would suggest for carrying out the instructions of the Honorable Court.

3. The further proceedings of this Government on the subjects noticed in paras: 8 and 9, have been reported to the Honorable Court in paras: 18 to 21 and 36 of the Despatch, dated 21st September, No. 22 of 1858.

4. The plans finally adopted by Government in regard to the Madrissa-i-Auzum, adverted to in para: 10, will be communicated to the Honorable Court in the Public Department in connection with the subject of education.

5. In reference to the remarks of the Honorable Court in para: 7, which will be communicated to the Commissioner of Police, the Government resolve to call the attention of that Officer and the Government Agent at Chepauk to Extract Minutes of Consultation, dated 30th June 1858, No. 412, and to request that they will expedite their report on the arrangements necessary for carrying out the plan sanctioned by the Government of India for the establishment at Triplicane of an Institution on the principles of the Monegar Choultry.

Paras: 12 & 13. Regret that the Travancore Government has refused to accede to Mr. Oughterson's proposal that his dispute with them in regard to his Timber Contract, be settled by arbitration. They cannot however enforce its adoption. Direct that if there be any papers connected with the case which have not been transmitted to them, they may be forthwith sent.

6. These paras: will be communicated to the Resident of Travancore. It is observed that copies of all the papers connected with this case have been laid before the Honorable Court with the Despatches reporting the proceedings on the subject.

Chief Secretary.
