Fort Saint George, Political Consultation, 29th October 1858.

No. 32. From Surgeon EDWARD BALFOUR, Commissioner Investigating the Debts of His Highness the late Nabob of the Carnatic; to W. H. BAYLEY, Esq., Acting Secretary to Government, Fort Saint George, dated 27th October 1858, No. 87.

SIR,

I have the honor to report to the Right Honorable the Governor in Council, that further Lists of persons to whom arrears were declared to be due, showing also the amounts of their several arrears, were sent to Government with my letter, No. 74, dated 27th Ultimo, and sanction of same was issued in the two Orders as

Extract Minutes of Consultation, No. 644, dated 4th October 1858.
" " " " 652, " 6th " " per margin.

2. By Memo: No. 364, dated 1st Instant, however, these Manuscript Lists were all returned for me to have them printed and this duty having been completed, I have now the honor to return the Manuscripts for record with 8 copies of the printed Lists for the several authorities.

3. As I had, on the 27th Ultimo, given notice by Advertisement in the Mahomedan Newspapers, as also by affixing same on the usual place here, that all the claimants in these Lists must personally or by Vakeel appear and receive the receipts for their arrears within one month, which date expired this day, it has been rendered necessary, this day, to give a fresh notice, in which the 27th November 1858, viz., this day month, has now been named as the latest date up to which any of the people named in these 12 Lists, not appearing personally or by Vakeel for their receipts, will be excluded.

4. I have the honor to submit that the return, for the purpose of being printed, of the Manuscript Lists which, as was understood by me, arrangements had been made for having printed at the Government Press, has exactly, by one month, thrown back the settlement of these particular claims, and I can now only strive by early arranging for printing the remaining papers and sending the same at once for sanction, to complete the whole duty connected with these arrears within the six months originally named as requisite, in para: 2 of my letter, No. 1220, dated 14th July last, but the possibility of re-overtaking this lost month may be doubted.

No. 33. ORDER THEREON, No. 707; dated 29th October 1858.

Ordered that one copy of the printed Lists received with the foregoing letter be forwarded to each of the Offices of Pay, Audit and Account, with reference to Extract Minutes of Consultation, dated 4th Instant, No. 644.

2. With regard to the remark in the concluding para: of the Commissioner's letter, it is observed that the Manuscript Lists were returned to him because, as the Government Press was much occupied, it was believed that they could have been more expeditiously printed under his supervision at some of the Town Presses,—an anticipation which has not been realized.

Chief Secretary.
