~~It was resolved by order of the Commander-in-Chief to annex copy of a Telegram received from the Officer Commanding Malabar and Canara, and of the instructions which have been issued to that Officer.~~

"I have received official intelligence that the Deeporancee has surrendered—The Sawant brothers likely to do so. In the event of the special Commissioner intimating that he no longer requires the large Force in North Canara, I have ordered the Companies of the 16th and 47th to form detachments for the present to remain in Soopah made up if necessary by a few men of thirty fifth, Captain Searle to return with detachment 35th to Sircy, Captain Leggatt with wing to Hurryhur—I propose ordering Company 66th from Sircy to Cannanore with Doctor Kelly in Medical charge—On final arrangements shall report what Medical subordinates are available."

Reply—"You should not hastily break up the Frontier Force—all the posts are to be maintained intact until the Sawant brothers are secured, and until the Civil authorities intimate otherwise.
