SIR,

1. I have the honor to acknowledge the receipt of the Board's Proceedings, dated 30th July, with Extract Minutes of Consultation of the 29th Idem, No. 1058, calling for a report on the subject of the Sircar Villages and Gardens situated in Trichinopoly, the Revenue of which is appropriated for the maintenance of Mosques, &c.

2. A List of the Villages and Gardens, &c., which are granted as Enam and appropriated for the expenses of Mosques and Chuttrums, &c., of the Nawab's Department was called for through the Nawab's Agents and compared with the List received from the Board on the 15th December 1801.

3. Five Statements have been prepared and are submitted herewith, Statement, No. 1 shews the Maniams of entire Villages and of detached Enams in Ayen Villages granted for the above 2 kinds of Institutions and their Revenue.

No. 2 exhibits the Gardens which correspond with these entered in the Board's List, as also the Gardens not entered in the above List and their Revenue.

No. 3 comprizes the Gardens entered in the abovesaid List and which are in the enjoyment of others than the Nawab's Department. As also the Gardens whose situations are not known.

No. 4 shews the Dittum of the Establishment and other charges pertaining to the said Charities.

No. 5 shews the collections, the expenditure and the balance of Fusly 1267.

4. From the above Statements it will be perceived that the income of Enams of entire Villages and of detached Enams, as well as of the Enams Garden, &c., granted for the above-mentioned Charities is Rupees 12,395-6-9 per annum. While the charges for defraying the expences of each kind of Charity and of the Establishment are Rupees 12,438-5-8. The balance of Rupees 721-5-2 shewn in No. 5, Statement of receipts and charges, is said by the Servants of the Nawab's Department to have been expended during the month of July in Fusly 1268.

5. As no orders have been received to institute an enquiry into the income of the Villages, &c., charges of Establishment and the expenses of the Mosques, &c.
