Fort Saint George, Political Consultation, 23rd November 1858.

No. 26. From Lieutenant A. C. McNEILL, Agent to the Governor General in the Hill Tracts of Orissa; to T. PYCROFT, Esq., Chief Secretary to Government Fort Saint George, dated 2nd November 1858, No. 233.

SIR,

I have the honor to forward, for the information of Government, copy of a letter I have this day addressed to the Secretary to the Government of India, Fort William, No. 232.

From Lieutenant A. C. McNEILL, Agent to the Governor General in the Hill Tracts of Orissa; to CECIL BEADON, Esq., Secretary to the Government of India, Fort William, dated 2nd November 1858, No. 232.

SIR,

Having received intimation from the Madras Government that the Rajahs of Vizianagrum and Boobly in the Vizagapatam District have, in the most liberal manner, offered to supply the Elephants required for this Agency, I have now the honor to submit an outline of the proposed operations of this Agency during the ensuing season.

2. Recent events in Upper Goomsur shew that the Khonds of that District still require strict supervision, I therefore propose in the first place to ascend the Coorminghea Ghaut, and to traverse carefully the Boad and Athara Mootahs of Goomsur.

3. After completing the work in Upper Goomsur, I purpose visiting the Khond Tracts of Boad which have not been traversed for some seasons. Thence my route will lay through the Patna Zemindary, the Khonds of which District have not been visited since Captain MacVicar saw them in December 1854.

4. From Patna, I purpose passing through the sacrificing District of Karoonde, including the Zemindary of Lunjeegoora, which is under Tree Chutterputty Deo, several Mootahs in this Zemindary still remain unexplored, and though the Rajah has in former seasons rendered every assistance to this Agency, and obtained the surrender of all the known Meriahs in his country, still a personal visit to the Khonds in their own villages cannot fail to have a most beneficial effect.

5. From Lunjeegoora I purpose turning South through the sacrificing Tracts of Jeypoor, viz., the Mootahs of Godairy, Chundapon, Terdapoor and Ryabejee, and thence to the Infanticidal Tribes of Sooradah.

6. With the view of thoroughly supervening the Khond Tribes of Chinna Kimedya a portion of the Cutcherry Establishment under an experienced Moonshee will be deputed with a party of Sebundies to traverse the different Mootahs of that District; and this party will be able to rejoin me at some point in the Jeypoor country to be hereafter determined on.

7. Having obtained from the Agent to the Governor of Fort Saint George in Ganjam the promise of an Escort of one Company of Sebundies, I will not this season require any detachment of Regular Infantry nor will the services of a Medical Officer be requisite.

No. 27. ORDER THEREON, No. 767; dated 19th November 1858.

To be Recorded.
