Sir,

I have the honor to report the demise, on the 31st October 1858, of Carnatic Stipendiary, No. 181 Mirzah Gholam Hoosain Khan Bahadoor, Styled Zuffur Jung, Seraj ood Dowlah; whose Stipend amounted to Rupees 734 per mensem granted by Extract Minutes Consultation No. 395 of 26th November 1839.

2. The Widow of the deceased, Ahsun oon Nissa Begum, has reported, in the letter of which Copy is subjoined, that deceased, in addition to "a great number of dependants," has left, herself, the

3. With reference to the above, I have the honor to report that deceased was the grandson (Son's Son) of Sultan Boon Nissa Begum, who was the eldest Shadee daughter of His Highness the late Nabob Wallajah and had, in 1801, granted to her the Stipend of Rupees 25,000 per annum.

4. This lady, after she at length accepted her Stipend, proceeded in 1814 with her Son Rocesool Omrah, to Turkish Arabia, where both early died; the former in 1821 and the latter in 1831.-

5. The Stipendiary now deceased, had been brought to Madras, while but a boy of 12 Years of Age, and after his fathers' demise, by Extract Minutes Consultation dated 28th June 1833, he was granted a pension of Rupees 200 per mensem and this was issued till the lad attained his 17th Year, from which period he enjoyed a Stipend of Rupees 734 per mensem as per Extract Minutes, Consultation No. 395 of 26th November 1839.-

=cently ordered to be paid, the Cause of which was, that having married the daughter of the late Hissam ool Moolk Bahadoor, in 1849, went to Turkish Arabia with all his family, to visit his father-in law, but over-staying his leave there, his Stipend was stopped.

7. I have the honor to report that, in Appendix A, to my letter (See page XXX printed Report) of the 29th June 1854, deceased (No. 181) was there inserted as one of those Stipendiaries who, being people of Consequence and having heirs, were entitled, as the principal representatives of their family, (under the Courts Orders of 1846 and 1851) to have portions of their pensions continued to their heirs. The opinion which I then, expressed, I have now the honor to repeat: and to mention that in private life, deceased was an upright man,

man, a gentleman in all his dealings, dignified and courteous, and respected by all who knew him, and his demise leaves a blank amongst the stipended descendents of Wallajah. And, though two years ago, it would have seemed unnecessary to have noticed the fact, there is no doubt that the deceased was a sincere well-wisher of the British rule, and there is reason to believe that in the past and present year he caused unostentatiously great assistance to be given to the Commissioner of Police.

8. Having given the previous details, I have the honor to recommend that the Stipend of Rs. 9/34 per mensem enjoyed by the late Carnatic Stipendiary No. 181 Mirzah Gholam Hoossain be declared to have lapsed from the 31st October 1858.

9. I have the honor to recommend that the sum of Rupees 700 be granted in shares, as life grants,

and Paymaster of Carnatic Stipends

Sir,

I Ahsun oon Nissa Begum with grief and regret beg to bring to your Kind notice that, my late Husband the Carnatic Stipendiary No. 181 Mirza Ghulam Hoosain Sirdar Jung departed this life on the 31st Ultimo leaving a son of 8 Years of age named Ghulam Mahomed Hussen Ally and two Daughters, one underage of 6 Years named Ushruf oon Nissa Begum, and the other of the age of 4 Years named Moobaruck oon Nissa Begum and also a great number of dependants -

In a subsequent persian letter she states her own age to be 34 Years.

The Government of Madras looking the nearest relationship of my late husband to the late Nabob Wallajahs eldest Daughter Nabob Soultan oon Nissa Begum's grandson, granted him a pension of 734 Rupees, by which he lived respectfully and was gratefully to the Government till his death.

As the natural custom of the Nobles being kind toward the poors my late husband was treating privately to great many distressed Individuals excepting the registered dependants and the performance of some usual unavoidable household Ceremonies for Children and festivals, caused him necessarily to contract debts which he did and left unpaid, the discharge of which now lies on my part and I must try all my best to pay every cash to the Creditors. -

Under these abovementioned circumstances and particularly with respect relying on your pure power as my late husband have often mentioned, I have a strong hope that you will be kindly pleased to recommend my distressful case to the favorable consideration of the Government in order to issue his pension in full, by which I and my Children may live, assisting the dependants of my late husband with every kind of ease and respect and thankful to the British Government.

I remain &c &c
