Fort Saint George, Political Consultation, 14th December 1858.

No. 1. MINUTES OF CONSULTATION, under date the 8th December 1858, No. 808.

Read again letter from the Inspector General of Ordnance and Magazines, dated 17th September 1858, No. 327, and recorded in Consultation of the 28th Idem.

In the above letter the Inspector General of Ordnance desired to be informed of the wishes of Government as to the course he should take in respect to certain Ordnance Carriages, Swords, Arms, &c., in deposit in the Arsenal, belonging to the late Nabob of the Carnatic; and recommended that he should be allowed to arrange, if possible, to take over all the Articles or such portions as he might see fit on behalf of Government, provided he could approve of the valuation. This letter was forwarded to the Receiver of the Carnatic Property, and he was requested to communicate with the Inspector General of Ordnance on the subject.

2. The Government now think it unadvisable to take any of the Articles at valuation, and they desire that such Arms or Stores as the Inspector General of Ordnance wishes to obtain on account of Government be purchased by him at Auction.

Acting Secretary to Government.
