No. 50. From Surgeon E. G. BALFOUR, Government Agent at Chepauk; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 22nd December 1858, No. 2064 of P. C. S.

SIR,

I have the honor to report the following case for the Orders of the Right Honorable the Governor in Council.

2. In the List, U, Sadarat Department of Nabob's Servants, &c., is a sum of Rupees 7, as a Neeaz to Moostafa Hoossain, son of Sakeena Bee, and this person became Carnatic Stipendiary, No. 2658, Rupees 3-8-0.

3. Before issue thereof however, it was ascertained that this person was not a son, but only an adopted son of Sakeena Bee, and issue has not been made,

4. On examining the records it has been ascertained that the Nabob's Orders, in the life time of Sakeena Bee, were to grant Rupees 7 to the son of Sakeena Bee, without giving his name, and this person was then enrolled in consequence thereof, and up to his being pensioned by Government continued in receipt of that Neeaz.

5. It is now ascertained also that Sakeena Bee had no son of her own, but adopted this person in his youth.

6. I think that the Nabob intended the Neeaz for Sakeena Bee's own son, but taking into consideration the the fact that this man has been in the receipt of a Neeaz for about 8 years, from the Nabob, I recommend the Right Honorable the Governor in Council to permit me to continue its issue.

No. 51. ORDER THEREON, No. 6; dated 4th January 1859.

Under the circumstances represented the issue of the Stipend of Rupees 3-8-0 to Moostafa Hoossain will be continued.

(Signed) T. PYCROFT,
Chief Secretary.

SIR,

The usual form of submitting claims for commutations of Stipends is by Tabulary Returns sent monthly.

2. In my letter, No. 1044, dated 11th June last, I detailed the wanderings for 15 years of Carnatic Stipendiary, No. 204½, Ghoolam Ally Abdool Azeem, and that history will show the peculiarly unstable character or the unknown pursuits of this person. He is a great Grandson of the Nabob Wallajah, and immediately after Government commanded restoration of his Pension with all its arrears of 6 years and 5 months of absence without leave, he commenced applying for commutation, his avowed object being that he may quit this Country for ever and reside permanently in Turkish Arabia.

3. In my opinion, at present, it would not be advantageous, to allow this person to dispose of his Stipend, and that it is advantageous to retain him as a Stipendiary, I therefore do not recommend the grant to him of a Bonus on his Petition to Government, No. 2480 of 6th September 1858; and I recommend (*a*) permission being granted to him for permanent leave to Turkish Arabia; (*b*) his Stipend be payable here; or (*c*) at Bombay, and security through his Agent; or (*d*) as a Special case, made payable at the Residency at Baghdad; but if the Right Honorable the Governor in Council take a different view from this, I have the honor to place on the margin * the amount of the Bonus which the Regulations permit to be granted.

No. 57. From GHOLAM ALLY ABDOOL AUZEEM, a Carnatic Stipendiary; to the Right Honorable the Governor in Conncil, Fort Saint George, dated 6th September 1858.

The humble Petition of Gholam Ally Abdool Auzeem, a Carnatic Stipendiary.

HUMBLY SHEWETH,

That on the 10th August last, your Petitioner has presented a letter to the Chepauk Agent requesting him to obtain the sanction of Government for Bonus being allowed to your Petitioner or should it not being availed at present the Stipend of your Petitioner may until such time as it may be had be transferred to the Political Agent at Bagdad. The Agent without fully looking into the prayer of your Petition as would seem from the precis in his own hand on the back of the letter passed on endorsement *not at present*, the reasonable inference deducible therefrom is that the Bonus could not be had at present, which your Petitioner was very well aware of and supposed the same in the letter herewith accompanying, but in the absence of the Bonus your Petitioner has therein requested that this Stipend may be transferred to the Political Agent at Bagdad until such time as the Government may be disposed to grant him Bonus. The latter request seems to have escaped the attention of the Agent as he made no mention about it. Your Petitioner would therefore request you will be greatly pleased to take the circumstances urged by your Petitioner in his letter to the Agent and confirmed by the Mahzurmnamah submitted to Government through the Agent on a former occasion and the great necessity exceeding for your Petitioner fixing a permanent abode at Bagdad, and the sanction either to the grant of the Bonus or the transfer of his Stipend to the Political Agent at Bagdad.

For which act of favor your Petitioner as in duty bound shall ever pray.

From GHOLAM ALLY ABDOOL AUZEEM; to E. G. BALFOUR, Esq., Government Agent at Chepauk, dated 10th August 1858.

SIR,

In offering my sincere thanks to the Honorable Government for their liberality in continuing to me my Stipend from the date of its suspension by Extract from Minutes of Consultation, dated 3rd July 1858, I beg to submit the following, for transmission to Government with your kind recommendation, as you were kindly pleased to do in the case of continuance of my Pension. It is evident from the Mahazur Nama I had submitted to you that during stay at Bagdad for a long time, I had been necessitated to marry the daughter of a learned man at Carbola, and that I was there overtaken by debt. But happily a noble minded man there pitying my condition, promised me his aid towards the household expenses, and stood himself responsible for my debts to enable me to come to Madras.

Under these circumstances, I think it incum' ent on me to fulfil my engagements with the said nobleman and settle all my debts there out he amount of the arrears granted me by the liberality of Government, and that it could not be done otherwise than by my being there in person. Besides I have none here to look after me as I have left my family at Carbola for they could not come to Madras, it rests necessary with me to remain there with family for ever.

I request for the above reasons that I may be allowed the Bonus for my Stipend, that I may thereby procure a premises at Bagdad and benefit myself and family from the rent thereof as well as affording means of support to my family after me; but should the Government be not disposed to accede to it for the present, it is earnestly solicited that my Stipend may be transferred to the Political Agent at Bagdad, and I shall apply to Government through the said office for the Bonus when I may hear that it could be had.

* *Late Goolam Mahomed Khan Bahoor.*
Late Hissamool Moolk Mathahmally Khan Bahoor.

As at the time when there was no general provision made authorising such transfers the Stipendiaries in the margin* have availed themselves by the transfer of these Stipends to the Political Agent at the said place and now when the Honorable Court's order permits all Stipendiaries in general for such benefits, I think Honorable Government will see no objection in transferring my Pension to the said Officer for the present
