G.O. No. 125	Press Mis.
Dated 26. 2. 1918	

Not to be folded or roughly handled

Fort Saint George, Political Consultation, 1st March 1859.

No. 1. From Surgeon EDWARD BALFOUR, Commissioner Investigating the Debts of His Highness the late Nabob of the Carnatic; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 23rd February 1859, No. 183.

SIR,

By the subjoined Copies of correspondence with the Civil Auditor, the Right Honorable the Governor in Council will find that that Officer has audited and found correct all issues made by me up to this date, of Cash Receipts for sanctioned arrears of wages.

2. By referring to para: 18 of my letter, No. 8, dated 24th August last, it will be found that I had there foreseen the occurrence of circumstances which might render it necessary for me to defer issuing the Cash Receipts of certain cases, and added that in order to occupy the time of Government with considering numerous petty points, I would, towards the close of the transactions, collect all such deferred cases in one List and communicate them to Government for oen decision.

3. The time has now come for me to do this: and in the enclosed List now sent for sanction or otherwise will be found recorded every previously sanctioned case in which Cash Receipts have not yet been issued, with the reasons for such non-issue, and the amounts, and persons to whom, now found due.

4. If sanctioned by Government, I beg issue of early announcement of same that the arrears of these remnants of the Sircar Servants may quickly be paid to them.

No. 2. ORDER THEREON, No. 125; dated 26th February 1859.

The Government confirm the decisions of the Commissioner in the several cases submitted in his "concluding List of arrears" due to the Servants of the Carnatic Sirkar, and accordingly sanction the payment of the sums now awarded to the Claimants named in the last column of the List.

(Signed) T. PYCROFT,
Chief Secretary.

Exd. J. A. Wilson.

CONCLUDING LIST OF ARREARS,

Due to Ex-Servants of His Highness the late Nalob Gholam Mahomed Ghouse Khan Buthadoor; now reported in accordance with Commissioner's letter, dated 24th August, No. 8 of 1858, para. 18, as follows:

“ In the examination of so many claims, it will happen that the awards of my predecessors and myself, may require to be amended. During the time of late Commission, the duty of issuing receipts for paying the amounts of the Commissioner's awards devolved on the Government Agent at Chlepauk ; and, on the Agent detecting in the lists he had received from the Commissioners any points requiring correction, whether as to the name of a servant, his avocation or the amount of arrears due to him, or where the subsequent inquiries of the Commissioners themselves required, on their own parts, any modifications of their own previous awards,—the lists were returned from the Agency in order that the necessary alterations might be made by the Commissioners. In the single character of the transaction, resulting from the nomination of one Commissioner who shall perform all the duties, if any such cases now occur, where the Commissioner's award, after being once communicated to Government and the Audit Office and Treasury, is subsequently detected by him as one requiring modification, in order not to occupy the time of Government with numerous petty points, (*m*) I propose that the Commissioner collect all such in one list, and, before the close of the transactions, communicate them to Government for decision.”
