FINANCIAL DEPARTMENT.

No. 115.

Extract from the Minutes of Consultation under date the 19th February 1859.

Read the following Extract. from a Despatch from the Right Honorable the Secretary of State for India, No. 23 of 1858, dated the 8th December.

Letter, dated the 23rd August 1858, No. 113. }
Advert to the decision of the Court in the case of Captain W. E. Hay that the rule under which a Civil Pension is merged in the salary of Office, should also apply to Military Pensions, and submit, for decision, a question raised whether the rule is to be held to apply to the subordinate grades of Non-Commissioned Officers and Privates. Correspondence with the Chief Commissioner of the Punjab, and the Government of Madras, on the subject, forwarded.

Para: 6. The rule referred to in these Papers, under which the Pensions of Retired Civil and Military Servants merge in the salary of Office, in the event of their re-employment was not intended to apply to Military Pensioners of the ranks of Non-Commissioned Officers and Privates.

7. Pensioners from those grades are of two Classes, viz., men who have been discharged after completing their prescribed period of service, and men who have been pensioned on account of unfitness for further Military duty. The former Class are entitled to their pensions as matter of right, and the latter are pensioned, because the public interests are promoted by their discharge. In either case the Pensioners may be well qualified for other than Military duties, and for situations in which their employment could in no way prejudicially affect the interests of their equals in rank in that branch of the service to which they had belonged, men of these grades will therefore be exempt from the operation of the rule referred to.

No. 670.

Copy of the above paras: forwarded to the Government of Fort Saint George for information and guidance.
