*Proceedings of the Madras Government, Political Department,
from 1st to 10th June 1859.*

No. 8. Read the following letter from Major P. T. SNOW, Assistant Government Agent at Chepauk; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 25th May 1859, No. 891.

I have the honor to submit for the orders of the Honorable the Governor in Council the following case, having reference to a Gratuity granted by Government in the name of Syed Noor Oollah medicine Compounder, No. 712 O. or Bukshegerry Department, in List No. 16. It appears from the Records, that this individual never acted in the capacity of medicine Compounder, but a substitute of the name of Ameer Hoossain was appointed in his stead by the head of the Department, and the Services of Noor Oollah were transferred as teacher to the children of the Officer at the head of the Medical Department. This state of things continued up to the date of the Nabob's decease, both parties now claim gratuity. The Commissioner for Investigating the arrears of wages &c., due to servants of the late Nabob of Carnatic, in his letter to Government No. 8, dated 24th August 1858, para: 12, proposed, that arrears should be paid to the parties who had actually performed the duties, which proposal was sanctioned in Extract Minutes of Consultation, No. 587, dated 8th of September 1858, and according to the sanction thus given, the arrears due were paid to the substitute Ameer Hoossain, these arrears were for the performance of certain services, while the gratuity is for loss of situation, assuming that Syed Noor Oollah (whatever duties he may have performed) was the actual servant of the Circar, and that the cessation of the services of his substitute Ameer Hoossain, although indirectly attributable to the extinction of the Circar, was actually caused by the cessation of his, Syed Noor Oollah's, employment; I should be disposed to declare the gratuity payable to the latter person.

2. The case however being one, regarding which some decision of authority is necessary, as a guide in future; I do myself the honor of submitting it for the consideration of his honor the Governor in Council.

No. 9. ORDER THEREON, 6th June 1859, No. 345.

The Government are of opinion that neither Syed Noor Oollah, who never performed the duties of the Office which he held under the Carnatic Sirkar, nor his substitute Ameer Hoossain, who has received his arrears of pay, is entitled to a gratuity.

Chief Secretary.
