No. 12. From Surgeon E. G. BALFOUR, Government Agent at Chepauk, and Paymaster of Carnatic Stipends; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 14th December 1858, No. 1999, of G. A.

SIR,

I had not overlooked subject brought to my notice in Extract Minutes of Consultation, No. 795, dated 14th Instant, but aware of the feelings Her Highness Nabob Khyre Oon Nissa Begum entertains on the subject, I did not, in formally reporting to Government, urge that part of the matter. On receipt of orders under reply, I addressed a communication to Her Highness, to which I have received the reply of which copy is subjoined, by which it will be observed that Her Highness' aversion to furnish any Pensionary aid to her Ex-Khansaman has not as yet in any way abated; and I do not recommend any order being issued commanding a compulsive provision being made by Her Highness to her own Servant from her own Stipend.

From Her Highness Nabob KHYRE OON NISSA BEGUM; to the Government Agent at Chepauk, dated 11th December 1858.

MY DEAR SIR,

After the presentation of my compliment, I have the honor to inform you, that I received your letter, No. 1975, in which the Extract from the Minutes of Consultation, dated 4th December 1858, regarding the case of Itabar Jung was enclosed. Dear Sir, although, I have often written to you about this subject and have two or three times expressly declared to you, when you had visited me in Wallajah Baugh, that Itabar Jung was not my loyal and faithful servant, and also it is well known to you that how he and his son have fraudulently misbehaved towards me: notwithstanding this an endeavour is still to be made for his Pension. Since this case depends on your mature opinion, no doubt that it will clearly be set forth—for I have, on account of his disobedience and deceit, determined not to maintain him at all.

The ready monies and Goods which he has obtained from me are enough for him and his children from generation to generation.

Let your favor be daily increasing.

No. 13. ORDER THEREON, No. 37; dated 13th January 1859.

The Government request that the Chepauk Agent will report specifically upon the claims of Itibar Jung Bahadoor, to be treated as a Servant of the late Nawaub, and his allegation that others similarly circumstanced have been admitted to Pension.

(Signed) T. PYCROFT,
Chief Secretary.

News.

do not see what can be done for
this man. The Begum I presume
cannot be compelled to prosecute him
against her will —

It seems from his own Petition
— sent in Dec 4 Dec — that in 1849 he
was appointed Khansaman to the
Begum, "and his salary in connection
with it was to as far as to him stipend"
that is I suppose he was paid
by her — and hence he differed from
other servants who were really
paid by the Government as tho' out of

the Begum's allowance - and who
has since been pensioned -

He cannot be regarded
as a servant of the Emperor
be pensioned as such -

If thought proper however Dr
Holford might be directed to report
specifically upon his claims to be
treated as a servant of the Nabob
and his allegation that others have
early circumstances have been
admitted to pension.

If his claim be allowed it, may
open the door to a good many more
Gp.

the nominal shown was R12000 per
mo^t but of this R2647 was paid by the
other parties - leaving him a net
income of R9353 - which from his present
land -

Think the Agent should report as
proposed. The man appears to
be an old & trusted steamer
he was appointed as such of the
Swab to superintend the Messrs
of his young wife who now that
she is her own mistress discards
him. Surely he must be treated
as the Swabber's least! Mf
