Proceedings of the Madras Government, Political Department, from 25th June to 1st July 1859.

Read the following letters:

No. 12. From H. FORBES, Esq., Member of the Legislative Council; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Fort William, the 18th June 1859.

I have the honor to forward the copy of a Bill to explain Act XXX of 1858, which, in consequence of a communication from His Excellency the Governor General, I this day brought into the Legislative Council.

2. The standing Orders of the Council were suspended on my motion, the Bill passed at once through its several stages, and immediately received the assent of the Governor General.

3. I have to request that you will point out to Government that the latter part of Section I of the Act is intended to provide for a settlement under Act XXX of 1858, of the claims to the total sum of five lacs of Rupees which are represented in Mr. Advocate General's letter to your address of the 30th Ultimo, to have been adopted by the late Nabob although the debt was incurred during the minority of the Nabob, and not for the use or benefit of His Highness.

4. These claims could not have come before the Court for adjudication under the Act now transmitted, unless provision had been made in it for dispensing with proof, at the discretion of Government, that the debts on which they were founded had been necessarily and properly contracted on behalf of the Nabob.

5. It will be seen that provision has been made for the award of costs to Government, and that decisions under Act XXX of 1858, are declared open to appeal.

No. 13. From C. BEADON, Esq., Secretary to the Government of India; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Fort William, 20th June 1859, No. 3704.

Foreign Department.

I have the honor to acknowledge the receipt of your letter, dated the 1st Instant, No. 341, and its enclosures, relative to certain claims now being brought under litigation in the Supreme Court at Madras under Act 30 of 1858, and to the construction which has been placed by the Court on the provisions of the Act.

2. In reply I am directed by the Governor General in Council to state that the subject has been duly considered, and a Legislative Enactment, explaining Act 30 of 1858, has been passed. A copy of this Enactment is herewith enclosed.

3. At the end of Section 1 of the Enactment the following words occur. "Or unless the Governor in Council shall dispense with such proof;" the object of this provision I am to state is to enable the Madras Government to dispense with the proof in respect of any claim forming part of the 5 Lac debt, which though contracted by the Regent without any necessity, and consequently not properly incurred, was ratified by the Nabob, and was in the course of being paid off at the time of his death.

No. 14. ORDER THEREON, 28th June 1859, No. 384.

The Act received with the foregoing letter from the Government of India, will be published in the Fort Saint George Gazette, and a copy of that letter and, also, of that above recorded from the Member, for Madras, of the Legislative Council, will be furnished to the Government Solicitor, in reference to the order of Government, 1st Instant No. 340.

(Signed) T. PYCROFT,
Chief Secretary.
