No. 16. From Surgeon EDWARD BALFOUR, Commissioner investigating the Debts of His Highness the late Nabob of the Carnatic; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 10th January 1859, No. 142.

SIR,

I have the honor to report to the Right Honorable the Governor in Council, that, in continuation of my letter, No. 130, dated 30th December 1858, I have completed the examination of Sircar Records, as lodged in Madras, to ascertain therefrom the arrears due to Ex-Servants of the Department F. Dewani Mal employed in Out-stations, and find as follows:

					Amount due.
Hyderabad ...	24	Servants, of whom residing in Madras	4.....	.....Hyd. Rupees	33,965-4-9
Arcot... ...	120	,, ,, ,,	0.....	,,	4,501-8-6
Satghur... ...	94	,, ,, ,,	1.....	,,	2,004-11-0
Trichinopoly	56	,, ,, ,,	0.....	,,	2,605-5-9
Cuddalore...	1	,, ,, ,,	0.....	,,	529-8-9
Total	295.				

2. In order that the Right Honorable the Governor in Council may be enabled to decide how to deal with this class of arrears, I have the honor to explain the source whence the above information was obtained.

3. The Dewan Mal, synonimous to our Board of Revenue, for each Fasli year, received from each Out-station (Beroonjat) a Jumma Khurch, bearing the seals and signatures of the out-station Officers.

4. Those of the out-stations of Arcot, Satghur and Trichinopoly, bear the seals of the Naib Nizams (Assistant Collectors) of those places and the signatures of their Mushriffs and Sumpurties. Those of Hyderabad bear the seal of the Vakeel (Resident) and signature of the Pesh-dust; and those of Cuddalore the seal of the Darogah, this being the sole officer at that place. The seals alluded to being affixed on each separate Fard of the Jumma Khurch and it is from these annual accounts, as received from the Out-stations and lodged in the Dewani-Mal, that the arrears, as found due in the list now sent, have been framed.

5. I find, however, that some of the Hyderabad out-station Accounts have not been prepared there in the same form as those of other places.

6. In the Jumma Khurch of other places; the Dewani Mal was merely made acquainted with their actual receipts and payments.

7. But in one of the Hyderabad Jumma Khurch Accounts, that of [illegible] Fasli, actual receipts are recorded in one place,—and [illegible] the expended part, is recorded [illegible]al expenditure and sums due or to be expended, all brought under [illegible]tal, without exhibiting for what these items are due nor whether there were still further de[illegible]. In this unusual mode of preparing an account, the expenditure of Fasly 1261 is made to e[illegible]ed the receipts by Rupees 20,550. For the Faslis of 1257, 58, 59 and 60, however it is shown in the Jumma Khurch of each year that the sum so recorded was the conclusion of debts to the extent of Rupees 69,150, having been borrowed from Sahocars in 1257 and 1258, of which Rupees 48,600 were with interest repaid in 1258, 1259 and 1261, leaving the Rupees 20,550 still recorded in 1261 as to be paid.

8. The Dewan of the Durbar on two occasions named the amount of arrears due to the servants in out-stations.

9. The first occasion was in the list which accompanied his letter of the 6th October 1856, wherein he gave the total of these arrears as ....Rupees 92,512-15-3 as follows:—

Arcot...		9,425-15-6
Hyderabad,	Hyderabad Rupees	59,221-3-6
Trichinopoly...		18,986-0-9
Satghur.....		4,351-2-9
Cuddalore.....		521-8-9
		92,512-15-3

10. And, again, in his list and letters of the 11th November 1856, without giving the details, he named the same total. That list was sent to Government in Government Agent's letter, No. 134 of 6th December 1856.

11. The amount now found to be due to those who performed services is nearly $\frac{2}{3}$rds less than the total that the Dewan stated, *viz.*, now found as per Dewani Mal Records.

Arcot			4,501-8-6
Hyderabad. ...	Hyderabad Rupees	33,965-4-9, say	28,172-4-0
Trichinopoly.			2,605-5-9
Satghur..			2,004-11-0
Cuddalore			529-8-9
	Total Rupees		57,813-6-0

12. I have said that the Dewani Mal Records, as lodged in the Sircar, show the above totals, which will be found distributed in the details of the accompanying list, and the Dewan of the Durbar, in two letters of the 4th and 5th Instant, has reportedt hat the "Servants of out-sta- "tions or their heirs have received no portion of their arrears of salary accruing to the 30th "September 1858, save what is borne on the Records of the Dewani Mal Department now under "(your) my Custody" and this will satisfy that all information available in the Head Quarter Records has been employed in the construction of this List.

13. In the course of my duties here after framing such a list as that which I now send, I have proceeded to the identification of individuals, verification of their services, and investigation of claims of heirs. Government, in Extract Minutes of Consultation, No. 8 of the 4th Instant, are of opinion that these processes could be conducted here, with regard to the servants of Arcot and Satghur. I do not however recommend this course, because, with all of them however short and easy to them the work may be made here, it will be an expensive journey, but where the arrears are small, or the heirs and their witnesses numerous, all or more than the awarded arrears would be swallowed up in the expenses of coming, of living here, and of going. They will attend here if ordered, but Government will recognise the advantage of giving all of these people their awarded arrears with as little trouble to the people and as few deductions as possible. A reference to the List sent will shew that in the Arcot and Satghur arrears out of 214 Individuals, 93, or nearly the half, are only to receive sums less than twenty Rupees and some of these fall so low as a few annas.

14. I assume that Government will not think it necessary to examine the out-station Records regarding these arrears; but will be satisfied with the results here given, as extracted from each annual Jumma Khurch, lodged in the Dewani Mal Department here. As my opinion, I may mention that were this transaction one connected with my own private affairs, I would rest satisfied with the results here obtained: but if Government, differing from this view, consider it necessary that the Circar Records here should be checked by those in the out-stations, no order could be issued till such re-audit be completed.

15. In the same way, in order to ensure the early and quiet settlement of these affairs, I suggest that orders be issued to the Officers in charge of Treasuries at Hyderabad, (Secundera- bad,) Arcot, Vellore and Trichinopoly, who might be desired to proceed with the verification of services and identification of individuals, their heirs or representatives, and pay the arrears as per accompanying List.

16. As when desired, on a former occasion, to express my views as to the settlement of these arrears, the opinion of Government differed much from mine, as to the advantage of early

adjustment, I submit the above opinion because I am desired to do so, merely adding as before that was this a private transaction of my own, I would settle it early, though the process necessary for doing so might make the settlement a little more costly to me: and in my opinion these sentiments apply more strongly to the acts of the Government. If Government be disposed to concur in this opinion,

17. I enclose copies of the documents which I have found useful as the forms for receiving applications for arrears; as the statement and acquittal for those arrears; and as the receipts for the same; In supplying these however, I would again renew the intimation given in para: 5 of my letter, No. 8 of 24th August last, that no educated body of men amongst ourselves could ever be expected to keep a recollection of the arrears accruing on fifteen years irregular payments, and all that seems essential is that the utmost care be taken in the identification of individuals and verification of the services, and an acquittance be given by the claimants. The extra labour on the Treasury Officers, distributed as the 295 people are in five stations would not be great, indeed could all be got through within a day, as I was able to verify the services and identify about 70 individuals a day and the reception of their statements and issue of the cash receipts was at the rate of a hundred daily. The necessity for the greatest care in identification and verification of services, may be illustrated by my mentioning that of five Outstation Servants in Madras, who appeared before me on the 8th Instant, only one is by services and receipt of pay entitled to arrears, I would add that in the verification of heirs of deceased servants the awards to Mahomedan and Hindoo claimants were given in accordance with their respective laws.

No. 17. From Surgeon EDWARD BALFOUR, Commissioner investigating the Debts of His Highness the late Nabob of the Carnatic; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 10th January 1859, No. 143.

SIR,

I have the honor to report to the Right Honorable the Governor in Council, that in continuation of my letter, No. 142, dated 10th January 1859, I have now completed the investigation of the arrears of the Department N. Dust-i-Khas, being that of His Highness the late Nabob's personal expenditures, the List in quadruplicate of my awards to the Ex-Servants of which Department is enclosed for sanction or otherwise.

2. With strong desire to be liberal in all these settlements rather to err on this side than subject Government to the labour of further attending to the subject of arrears I have been able to award to the persons claiming in this Department, only the sum of Rupees 1,058-15-9, which will be found as the total of the List now sent.

No. 18. ORDER THEREON, No. 39; dated 14th January 1859.

With the above letters the Commissioner forwards, in continuation of the Return submitted by him under date the 30th Ultimo, No. 130, Lists of the Servants of the Dewani-Mal at Out-stations and Dust-i-Khas Departments, to whom arrears of pay have been found due for the period from the accession of the late Nawaub of the Carnatic to the 31st December 1854.

2. The sums awarded by the Commissioner on the claims which have been investigated and admitted in the above two Departments, amount to Rupees 37,813-6-0 and Rupees 1,058-15-9 respectively, *viz*:—

* *Para*: 11. Dewani-Mal	Arcot	Rupees	4,501-8-6*
	Hyderabad, Hyd. Rupees 33,965-4-9, or Company's	Rupees	28,172-4-0
	Trichinopoly	,,	2,605-5-9
	Satghur	,,	2,004-11-0
	Cuddalore	,,	529-8-9
	Total	Rupees	37,813-6-0

Dust-i-Khas.....Rupees 1,058-15-9

3. The Right Honorable the Governor in Council grants authority for the disbursement of the abovementioned sums, and directs that a copy of the List of the Dust-i-Khas Department

be furnished to the Offices of Pay, Audit and Account, with a copy of this Resolution for their information and guidance.

4. A copy of the List of the Out-station Servants of the Dewani-Mal Department at Arcot, Satghur, Trichinopoly and Cuddalore will be forwarded to the Collectors of the respective Districts, and the List of those at Hyderabad to the Paymaster at Secunderabad, with instructions to disburse the arrears after the necessary verification of services and identification of the parties to whom they are due, their heirs or representatives. A copy of the Commissioner's letter, No. 142, and of this Extract from the Minutes of Consultation, will be furnished at the same time for the information and guidance of those Officers.

Para: 15.

5. The Offices of Account and Audit will also be furnished with a copy of the Lists of the Out-station Servants, and the Accountant General will be requested to arrange for funds being placed at the disposal of the several Officers to meet the payments with which they have been charged.

6. The documents received from the Commissioner and referred to in last para: of his letter, No. 142, will be returned to him, and he will be requested to forward them to the local Authorities with instructions to the effect denoted in that paragraph. The Government are satisfied with the results of the Commissioner's examination of these claims by the Sircar Records at Madras, and do not therefore think it necessary that they should be examined again by the Records at the Out-stations.

Surgeon EDWARD BALFOUR,
Commissioner, Investigating the debts
of His Highness the late Nabob
of the Carnatic.

To

Sir,

I have the honor to forward the requisite number of copies of the documents alluded to in paragraph 17th of my letter No. 112 of 10th Instant, ordered to be sent to you by paragraph 6th of Extract from the Minutes of Consultation No. 39 of 14th Instant.

I likewise re-enclose all (un-examined) applications for arrears of wages hitherto received from claimants at your station, by the late Commissioners and myself, in order to admit of your concluding the duties now devolving on you, of identifying individuals or their heirs, of verifying the services of all claimants, and of paying away the amount of your awards.

I have the honor to explain with reference to these duties, that the orders of Government only authorize arrears to be awarded to those individuals (or their heirs) who actually performed duty or service, or to such substitutes as in the absence from old age, infancy, or leave, performed the work of the absent servant, and that arrears have not been permitted to be granted to any class of non-doing duty retainers, whether styled Pensioners or Yomiadars, or in the receipt of honorary allowances as people of the Neaz, or Saadat, or the un-employed retainers styled Bekar.

You will observe from this remark that the duty which I have here completed for you up to a certain point, comprises only the result of my investigation of the Head Quarter Records, made by me to ascertain the *arrears* due on the monthly wages of those servants who were in the permanent or temporary employ of His Highness the late Nabob Gholam Mahomed Ghouse Khan Bahadoor, for the whole, or any portion, of the period intervening between the 25th August 1842, the date of the late Nabob's accession, until the 30th September 1855, the close of the month preceding his demise. Therefore the amounts named in the list now sent do not include any arrears of wages for service prior or subsequent to either of the above dates; and do not include any debt claim, of any kind, whether for purchases or supplies, or loans or advances; and I may on this account mention that the subjects of arrears of wages in the Naib-i-Mookhtiar's time, and of the smaller items due for the supplies or purchases made by servants on account of the Sircar, have been lately submitted by me for the consideration of the Right Honorable the Governor of Madras in Council, whose decision will be duly communicated in order that you may be enabled fully to explain the character of the present payments.

I subjoin, for readier reference, para. 17 of my letter of the 10th, and para. 6 of Minutes of the 14th Instant.

I have the honor to be,
Sir,
Your obedient Servant,

Commissioner.

FROM

SURGEON EDWARD BALFOUR,

Commissioner Investigating the Debts of His Highness

the late Nabob of the Carnatic.

To

T. PYCROFT, ESQ.,

Chief Secretary to Government,

Fort St. George.

SIR,

BY the subjoined Copies of correspondence with the Civil Auditor, the Right Honorable the Governor in Council will find that that Officer has Audited and found correct all issues made by me up to this date, of Cash Receipts for sanctioned arrears of wages.

2. By referring to para. 18 of my letter, No. 8, dated 24th August last, it will be found that I had there foreseen the occurrence of circumstances which might render it necessary for me to defer issuing the Cash Receipts of certain cases, and added that in order not to occupy the time of Government with considering numerous petty points, I would, towards the close of the transactions, collect all such deferred cases in one list and communicate them to Government for one decision.

3. The time has now come for me to do this: and in the enclosed list now sent for sanction or otherwise will be found recorded every previously sanctioned case in which Cash Receipts have not yet been issued, with the reasons for such non-issue, and the amounts, and persons to whom, now found due.

4. If sanctioned by Government, I beg issue of early announcement of same that the arrears of these remnants of the Sircar Servants may quickly be paid to them.

I have the honor to be,

SIR,

Your most obedient servant,

EDWARD BALFOUR,

Commissioner.

COMMISSIONER'S OFFICE,
23rd February 1859.

No. 156.

Dated 1859.

Received

From

EDWARD BALFOUR, Esq.,

Commissioner.

To

T. PYCROFT, Esq,

Chief Secretary to Government,
Fort St. George.

Forwarding Copies of Correspondence with the Civil Auditor, to show that all Cash Receipts issued up to date have been audited and found correct. Referring to letter, No. 8, para. 18, of 24th August 1858, encloses list for sanction and asking early orders thereon, that the remnants of the Servants be paid.

CONCLUDING LIST OF ARREARS,

Due to Ex-Servants of His Highness the late Nabob Ghulam Mahomed Ghouse Khan Bahadoor; now reported in accordance with Commissioner's letter, dated 24th August, No. 8 of 1858, para. 18, as follows:

"In the examination of so many claims, it will happen that the awards of my predecessors and myself, may require to be amended. During the time of late Commission, the duty of issuing receipts for paying the amounts of the Commissioner's awards devolved on the Government Agent at Chepauk; and, on the Agent detecting in the lists he had received from the Commissioners any points requiring correction, whether as to the name of a servant, his avocation or the amount of arrears due to him, or where the subsequent inquiries of the Commissioners themselves required, on their own parts, any modifications of their own previous awards,—the lists were returned from the Agency in order that the necessary alterations might be made by the Commissioners. In the single character of the transaction, resulting from the nomination of one Commissioner who shall perform all the duties, if any such cases now occur, where the Commissioner's award, after being once communicated to Government and the Audit Office and Treasury, is subsequently detected by him as one requiring modification, in order not to occupy the time of Government with numerous petty points, *(m)* I propose that the Commissioner collect all such in one list, and, before the close of the transactions, communicate them to Government for decision."

COMMISSIONER'S OFFICE,
10*th January*, 1859.

EDWARD BALFOUR,
Commissioner.

POLITICAL DEPARTMENT.

No. 130.

FROM

SURGEON EDWARD BALFOUR,
Commissioner Investigating the Debts of His Highness the late Nabob of the Carnatic.

To

T. PYCROFT, ESQ.,
Chief Secretary to Government,
Fort St. George.

SIR,

I have the honor to report to the Right Honorable the Governor in Council, that, in continuation of my letter, No. 109, dated 18th November 1858, the quadruplicate list, now enclosed for sanction or otherwise, contains the amounts found by the Records to be due to late ex-Circar Servants who served in the Department T Meersamani-i-Hoozoor, the total of their arrears now found, amount to Rupees 63,427-13-9, and a few cases (16) remain deferred for future investigation.

2. I have sent to the Press a fifth copy of the list, and will supply printed copies when completed; but in the meantime I beg issue of early orders on this manuscript list, as one month of the appointed six was formerly lost to me as per my letter No. 87, dated 27th October 1858.

3. This department was the Commissariat of the Household, and in the examination of its records, I considered it necessary to take up and audit the Servants' accounts individually, which has caused to be requisite the somewhat protracted period that its examination has occupied.

4. [redacted] other Servants' Departments now remaining unreported on, are those of the N[redacted]-R[redacted] the department of the Personal expenses of the late Nabob and those of the [redacted]tion Servants of the Department F, Dewani Mal who have resided (24) in Hyderabad; (1) in Cuddalore; (*) in Madras; (120) in Arcot; (94) in Satghur; (55) in Trichinopoly; Total [redacted]: regarding whose identification and the investigation of whose heirs, &c., it will be necessary [redacted]ernment to make some early arrangements as my Report will be completed in a few days.

*A few persons of each Station are remaining here.

I have the honor to be,
SIR,
Your most obedient servant,

EDWARD BALFOUR,
Commissioner.

FROM

SURGEON EDWARD BALFOUR,

Commissioner Investigating the Debts of His Highness

the late Nabob of the Carnatic.

To

T. PYCROFT, ESQ.,

Chief Secretary to Government,

Fort St. George.

SIR,

I have the honor to report to the Right Honorable the Governor in Council, that, in continuation of my letter, No. 142, dated 10th January 1859, I have now completed the investigation of the arrears of the Department **N** Dast-i-Khas, being that of His Highness the late Nabob's personal Expenditures, the list in quadruplicate of my awards to the ex-Servants of which Department, is enclosed for sanction or otherwise.

With strong desire to be liberal in all these settlements, and rather to err on this side than subject Government to the labour of further attending to the subject of arrears, I have been able to award to the persons claiming in this Department only the sum of Rupees 1,058-15-9, which will be found as the total of the List now sent.

I have the hon[redacted]

SIR,
