*Proceedings of the Madras Government, Political Department,
from 9th to 15th July 1859.*

No. 19. Read the following letter from J. McKENNA, Esq., M. D., Superintending Surgeon Presidency, in charge of Office of Director General, Medical Department; to the Chief Secretary to Government, Fort Saint George, dated 6th July 1859, No. 126.

The Acting Garrison Surgeon of Fort Saint George having reported to this Department, the Establishment of a Lunger Khanah in Triplicane, and the removal of the House of Industry to that Institution, and also applied for the services of a Native Dresser, a Mahomedan, I have the honor to state, that no information has been received at this office on the subject, nor of the requirements of such an Institution, I therefore solicit instructions of Government.

2. I may also mention, that a Pensioned Assistant Apothecary was attached to the House of Industry instead of a 2nd Dresser; and his services can now be dispensed with, should Government approve of the selection of a Mahomedan Dresser for the Lungerkana at Triplicane.

No. 20. ORDER THEREON, 11th July 1859, No. 415.

Referred to the Commissioner of Police for his report.
