Read again letter from the Superintending Surgeon in charge of the Office of Director General, Medical Department, dated 6th July 1859, No. 126.

No. 7. Read the following letter from Colonel J. C. BOULDERSON, Commissioner of Police; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 14th July 1859, No. 96.

With reference to the order of Government, under date 11th Instant, No. 415, Political Department, I have the honor to state that hitherto it has been usual for the Medical Department to relieve one Medical Attendant at the House of Industry by another, without any reference being made to the Commissioner of Police, and therefore on the present occasion, instead of troubling the Government on the subject, I requested the Medical Officer in charge of the Triplicane Lungar Khana (formerly the House of Industry) to procure if possible the services of a Mahomedan Dresser, instead of the old East Indian Apothecary, who has for some months past visited the children daily, and as it is likely that the Inmates of the New Institution will be chiefly Mahomedan Females, I trust the Government will favor me by requesting the Superintending Surgeon at the Presidency to comply with the request made to him by Doctor Porteous on that subject.

No. 8. ORDER THEREON, 23rd July 1859, No. 440.

1. Ordered that the foregoing letter be communicated to the Director General of the Medical Department.

2. The Government approve of the selection of a Mahomedan Dresser for the Lungar Khana at Triplicane, and resolve accordingly to authorise the Director General, Medical Department, to comply with the requisition of the Commissioner of Police.

(Signed) T. PYCROFT,
Chief Secretary.
