Agreeably to the several orders noted in the margin, I have the honor to forward a Statement of alterations which have taken place during the official year 1857-58, in the Carnatic Pensioners, for transmission to the Home Government.

The annual Pensions payable on the 1st May 1857, amounted to Rupees 2,53,624-12-0, and on the 1st May 1858, to Rupees 2,44,069-10-0, shewing a decrease during the year of Rupees 9,975-2-0. The diminution is caused by the removal from the list of 59 Pensioners, 33 of whom have died. The Pensions of 21 were commuted to Bonuses according to the scale laid down in the Despatch of the H. Court 30th April, No. 3 of 1856, Political, para. 41. M. C. 31st October 1856, No. 408, Political, have lapsed from allowing their Stipends to fall into arrears, and one deprived of his Stipend in consequence of his being transported for life for inciting rebellion against the State during the late Mutiny.

There is an increase of Rupees 420-0-0 in the old pensions, which arises from the restoration under the special orders of Government of Rupees 420-0-0 per annum, to a Stipendiary who had in the preceding year forfeited it, in consequence of his having left it undrawn for upwards of 2 years.

The aggregate amount of the Stipends of the 21 Pensioners commuted per annum, is Rupees 5,956-10-0, and the Bonuses paid to them aggregate to Rupees 61,107-11-1. Each Pension has been bought up at an average of 10½ year's Pension.

The Pensions payable on the 1st May 1858, to the Members of the immediate family and servants, &c., of the late Nabob Goolam Mahomed Ghouse Khan Bahadoor, on the cessation of the Carnatic Circar, is Rupees 4,37,707-7-0. These Pensions having commenced since the Official year 1857-58, comparison between the amount of Pensions that have lapsed, and the amount of Pensions granted during the year will be exhibited in detail in the Statement for 1858-59.

In submitting this Statement, however, I would beg to state, that as the information contained in it is the same as is given in the annual Statement of Civil and Political Pensions, there appears to be no necessity for also rendering the present Statement. I would therefore suggest for the consideration of Government that this Statement be discontinued for the future.

No. 18. ORDER THEREON, 25th July 1859, No. 445.

For the reasons given in the last para, the Government direct that, as suggested by the Civil Auditor, the Annual Statement of alterations in Carnatic Pensioners be discontinued for the future.

Chief Secretary.
