Act from the Minutes of Consultation.

Dated 15th January 1859.

Read again letter from
the Govt. Agent at Chepauk
of 14th July 1858, N^o 1214 of G.O.
and recorded in Gen. 3^d Aug.
1858.

1. The Govt. Agent at
Chepauk quotes the instruc-
-tions of the Govt. of India
relative to the Carnatic Fa-
-mily viz: "that none of the
"immediate members of the
"family, who entered in the
"Agents' list, are to be placed
"prominently in a worse posi-
"tion than they occupied
"during the life of the Na-
"-raul".

2. He represents that
His Highness the Maharaja
Duple

Why Con. Miss Begum,
Shadow widow of the late
Nawab, resided in houses
which she claims to be her
private property. He has
"no doubt that ultimately
"Her Highness will be dis-
possessed by the Law, and,
"in that case, as she will
"not be in so good a pecu-
"niary condition as in the
"Nawab's lifetime and will
"no doubt then be petitioning,
"if Govt. consider her to have
"further ^{rights}, he would suggest
"that so soon as the, remaining
"officer can investigate their
"rights, if he decide in favor
"of the claims of Her High-
"ness the Begum, they be
"recognized and granted
"as a gracious act of the
"Govt. before ever she matters
any

any complaint."

3. — The Houses occupied by Her Highness are said to be,

1. Bahadur's Cannon House.
2. Brodie Castle.
3. Haines' Gardens.
4. Lewis' Gardens.
5. Peters' — do
6. Wallajah.
7. Minnow.
8. Admiral's House.

It would not perhaps be possible, ^{the Royal Remarks,} to get for Her Highness other houses of equal magnitude, but to do anything near would certainly require a part of Rs. 1000 per annum."

4. — The case of Aurang Co. Nissa Begum, Nizam widow of his late Highness, is nearly similar.

The Houses occupied by her were,

9. Nungamburam.
10. Turnbull's Gardens.
11. Maclean's.
12. Bahadur's Hill House.
13. Cannon.
14. Wood's Gardens.

"^{the Agent States,}
The cost of recovery would
be about Rs. 500 per man-
-sion, and if the receiving
Officer takes any of these
houses, his case will merit
consideration."

5. The Right Hon. the
Gov. in Council observe
that of the 8 houses men-
-tioned by Mr. Balfour as
having been occupied by
Khyaootiwa Begum,
No. 2. Bradie Castle.

3. Hume's Gardens, and
6. Mallajah Bang.
were bought by Government
when sold by the Master
in the Supreme Court -

No. 1, it is understood, was
similarly purchased by
our Hon. Pernal Pillay -
and No. 5 by Messrs. Rich-
-son & Co. - The remaining
properties are understood

to be still in possession of the Begum.

6. Of those said ~~mini~~ to be occupied by Augum son Vissa Begum, No. 11 was purchased at the Master's sale by Messrs Richardson and Co and Nos 12 and 13 by Govt. The rest are said to be in possession of the Begum.

7. With Nos 1, 5 and 11 Govt. have no concern - nor can they interfere with Nos 4, 7, 8, 9, 10 and 14. It will be for the Receiver to deal with these last. There remain then Nos 2, 3, 6, 12 and 13 bought by Government, but of which they have not yet obtained possession.

8. Khajra son Vissa Begum's claim to Nos 2, 3 and 6 rests, the Government are informed, on precisely similar grounds to her claim to 5 and 11 and as in her action against the

the Messrs Richardson, she wholly failed to make good her title in the latter case, it must be equally invalid in the former.

9. It is understood that Arguere on Missa Baguila title to Nos 12 and 13 is much of the same character

10. It is now for consideration what course to take in respect to these properties so purchased by Govt. for they cannot by any means adopt the views of the Agent that because the Baguila may, during their husband's life time, have been permitted by him at his pleasure to occupy these houses, they can thereby be regarded as having a title to them or to large pecuniary compensation in the event of their being deprived of them.

Under

11. Under all the circum-
stances the Govt. have
resolved that Khiree son
Nissa Begum be informed
through the Govt. Agent,
that she will be allowed
to occupy Wallajah
Bang where she now re-
sides, for her life - free of
rent - on her making a
written acknowledgment
of the right of Govt. to the
House - and giving up
the other Houses Nos 2 &

If she will not do this,
the Govt. will at once
to the Supreme Court
an order to put them
possession of the house

12. Anzum son
Begum will in

have not yet obtained

In August they are on

precisely similar grounds

to the claim to 5 & 11. &

the action against the

Richardsons, wholly to

make good the title in

the latter case. It would

be equally invalid in a

form -

7. It is now for consid-

-eration what course to take

in respect to their property.

-As to the purchase of

land. for I cannot suppose

that the British will ever give

the Begum the right to the land

or to allow us to have

in lieu of the same.

8. The Begum has suggested

-that to me that the Begum

should be allowed

to occupy the old Begum's

when she now resides,

for her life - for of land

or at a nominal rent -

or her making a written

acknowledgment of the

right of the British to the land -

giving up the other land.

will not do this, that the

land should at once be

for sale - or at once

making them to be sold.
