*Proceedings of the Madras Government, Political Department,
from 3rd to 9th September 1859.*

No. 17. Read the following Despatch from the Right Honorable the Secretary of State for India; to His Excellency the Honorable the Governor in Council, Fort Saint George, dated India Office, London, 28th July 1859, No. 9.

For some years past, a large number of letters, some in English, and others in different Native languages, have been forwarded through the Post Office to the address of Her Majesty, and since the assumption of the direct Government of India by the Crown, the number of these communications has increased and may still further increase. It is desirable, therefore, that you should adopt measures to make it more generally known that all Memorials or other communications addressed to Her Majesty should be forwarded through the Local Governments of India. These communications you will transmit to me in the several Departments to which the subject treated of belongs, and when they are written in the Native languages, translations into English should be attached to them.

(Signed) C. WOOD.
