*Proceedings of the Madras Government, Political Department,
from 24th September to 4th October 1859.*

Read the following letter from J. R. BOYSON, Esq., Government Solicitor, Madras; to the Chief Secretary to Government, Fort Saint George, dated Madras, 26th September 1859, No. 1572.

With reference to Her Highness Nabob Khyree Oon Nissa Begum's communication to the Assistant Government Agent at Chepauk, under date the 21st Instant, and of which I annex a translation, I have the honor to request that the Collector of Madras may be directed to receive possession of Brodie Castle on behalf of Government.

I think it desirable that the Collector should dismiss the gardeners and servants now employed by the Begum on these premises, and place other servants in charge on the part of Government.

I am now preparing the necessary attornment for execution by the Begum in respect of the Wallajah Baug.

Her Highness makes no mention in her letter of the premises at the Red Hills known as the Nabob's house or Dare's house now in her occupation. I would beg to suggest that her attention be called to this point, and that she be requested to deliver over possession of these premises to the Collector of Chingleput.

To Major SNOW, Assistant Government Agent at Chepauk.

Her Highness Nabob Khyr-oon-Nissa Begum presents her compliments to Major Snow, and to inform him in reply to his communication of the 13th June that she has no intention whatever to resist the order of Government for delivering up possession of Brodie Castle and thereby subject herself to the disgrace of a public ejection. Her Highness is now prepared to make over the property on the Government deputing their officers to take charge of it, and she will issue the requisite instruction to her servants who have been placed there to look after the building and garden. She is also prepared to admit the title of Government to Wallajah Baugh, now occupied by her, in such manner as may be required by their Law officers. Though Her Highness has thus far willingly assented to deliver up the properties of which she feels herself to have been unjustly deprived, she reserves to herself the right of appealing against the proceedings of the Government in this matter, and she will shortly submit a representation of the whole case for the consideration of the Right Honorable the Secretary of State for India, and she trusts that the Government will do her the justice to forward it to England.
