No. 25. Read the following letter from Major P. T. SNOW, Assistant Government Agent at Chepauk; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 1st October 1859, No. 1491.

With reference to Proceedings of Government, No. 562, dated 26th Ultimo, I have the honor to re-enclose the Petition therewith received, and to inform His Excellency the Governor in Council that, the writer of the Petition to which that order refers, by name Gholam Vullee Oollah Ahmud, or Abdool Vullee Khan Bahadoor, a Carnatic Stipendiary, No. 201, is an insane person—as will be seen from the correspondence noted in the margin,* the 1st document being a letter from the Resident at Hyderabad, describing him as an insane person, and stating that he considered it necessary to forward him to Madras, that he might be under the charge of the Government Agent Chepauk; the subsequent correspondence of E. G. Balfour, Esq., shews that he perfectly concurred with the opinion expressed by Mr. Bushby: and measures were subsequently taken to induce the relatives to take the insane man under their care, this has never been effectually done, the relatives declaring their disbelief of his insanity—his conduct however since his return to Madras has tended to confirm the general opinion as to his being out of his mind and although no personal danger to individuals is to be apprehended, still his state is one requiring a certain degree of restraint and protection, which his relatives having declined to afford, might be considered a subject worthy of the notice of Government.
