*Proceedings of the Madras Government, Political Department,
for the month of February 1860.*

No. 22. Proceedings of the Madras Government, dated 25th February 1860, No. 101.

In paragraph 7 of the Resolution of Government, dated 24th April 1857, No. 317, the Government informed the then Commissioner of Tanjore, in reference to an opinion expressed by the Government of India to that effect, that it would be open to him, should any of the persons entered in the lists for pensions desire it, to commute their allowances according to the scale laid down in the Circular of the Board of Revenue, which follows that in force in the North West Provinces; and desired that the Commissioner would make such commutations without restriction as to the amount of the pensions commuted, reporting the amount so commuted half yearly for the confirmation of Government.

2. The Governor in Council resolves now to call upon the Government Agent at Tanjore to report what has been done in pursuance of the above Order, and whether it has been notified to the Tanjore pensioners generally that their pensions, which are mostly for small sums, can be commuted for a gratuity if they desire it, according to the scale laid down.
