*Proceedings of the Madras Government, Political Department,
for the month of January 1860.*

No. 13. Read the following letter from J. R. BOYSON, Esq., Government Solicitor;
to the Chief Secretary to Government, Madras, dated 7th January 1860, No. 22.

Proceedings of Government in its Political Department, dated 2nd May 1859, No. 272.

1. With reference to the proceedings of Government noted in the margin, I have now the honor to report that, after much discussion and negotiation with the respective claimants, I succeeded in adjusting the claims preferred against Government by the Proprietors of the several Hindostanee newspapers noted in the margin for the publication of advertisements by Dr. Balfour, as Commissioner for Investigating claims against the Estate of the late Nabob of the Carnatic and as Government Agent at Chepauk, by payment in full discharge of various sums amounting in the aggregate to Rupees 2,124-12-0.

2. These sums were based on a calculation allowing 4 Annas for each publication of each line of advertisement, taking 10 words of Hindostanee for each such line.

3. I adopted this course after full enquiry and much consideration which led me to the conclusion that the terms were just and fair as well to the claimants as to Government; and I trust Government will approve of my proceedings.

4. I enclose a Memorandum showing the amounts claimed by the Proprietors of the respective newspapers and the amounts I paid to them in full of such claims, the aggregate of the latter being less than the aggregate of the former by Rupees 2,306-8-0.

5. In conclusion I beg to solicit that the Sub-Treasurer may be authorised to disburse to me the above mentioned sum of Rupees 2,124-12-0.
