PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the Madras Government in the Political Department:—

*Referring for consideration a letter from the Receiver of the Carnatic property on the subject of exempting the late Nawáb's Gardens at Arcot from Quit-Rent, and of the Tahsildár's proceedings in interfering with the flow of water along the channel in the Nowluckah.*

(Here enter 16th April 1860, No. 224.)

ORDER THEREON, 2nd May 1860, No. 704.

1. The Gardens referred to by Mr. Dale, the property of the late Nawáb, having hitherto been held free of Government assessment, that exemption will be continued in perpetuity to future owners. Mr. Dale proposes that a title deed guaranteeing that exemption, should be now issued to him for each garden. It appears to the Government that it will be better that a separate title deed should be issued in the name of each purchaser, for the portion purchased by him; but should Mr. Dale still adhere to his present proposition, the Government will give orders accordingly.
2. The Government assume that Mr. Dale will divide the larger gardens into lots, so as to enlarge the competition. The number of persons able to bid for those gardens, if sold entire, would be very small.
3. A copy of Mr. Dale's letter will be sent to the Collector of North Arcot, who will be directed to make immediate inquiry into the conduct of the Tahsildár as stated in paragraph 15, and report the result without delay through the Board of Revenue for the information of Government.
