*Proceedings of the Madras Government, Political Department,
for the month of May 1860.*

Read the following letters :—

No. 15. From H. D. PHILLIPS, Esq., Commissioner of Tanjore, to T. PYCROFT, Esq.,
Chief Secretary to Government, Fort Saint George, dated 29th March 1860, No. 940.

In conformity with the requisition addressed to me in the 3rd paragraph of the Proceedings of Government, dated the 21st ultimo, No. 90, I have the honor to transmit a list of the palaces, houses, and other buildings, in possession of the late Raja at the time of his death.

2. This list does not however, exhibit all that the Government apparently desire to know. There are other small houses and huts and pieces of ground attached, in eight Talooks of the Province, of which I have before me the requisite details excepting that which would enable me to fix their approximate values. In this respect, it has been necessary to seek for information from the local Tahsildars, who have failed in responding to my desire for early replies. As the statement now submitted embraces all the houses of importance and it has been ready for transmission for some days past, I have resolved no longer to delay its despatch and will send a second one with the deficient information as soon as it reaches me.

It is at present occupied by Row Sāhib, who has long been in possession of it. This person is a worthless, dissipated Mahattā, a distant relative of the late Raja, who, at one time, had almost determined on giving to him in marriage, his eldest daughter (deceased) the lady who, after Row Sāhib's propensities had manifested themselves, was united to Sakkārām Sāhib.

76	Not known, Koopposamy Bhonslay	Seevaji	The brother of one of the Bhai Sahibs.	1,500	This is a good, sound, substantial building, and in excellent repair. Its satisfactory condition, however, is due to the present tenants own recent outlay. He is a brother of one of the new wives of the Raja, and at the recent marriage of the young Princess to Sakkārām Sāhib, took on himself the duty of giving the bride away.
77	Do. Veeranna Setty	Not known	Cirkar	20	Vacant ground.

81	Do., in a northerly lane in the street leading to the East Fort gate.	Seevaji	Locked	200	Sidamba Bhai's cow stable and said to belong to Ramabhadra Bhonslā, a disreputable young man for whom the Raja made a provision and whose marriage was performed by the Raja. The key is with an officer of the Durbar, who will surrender it.
82	Do., south of do.	Sarabhoji	Cirkar	300	Tiled building almost in ruins. Generally called Balakasala.
83	Mankojee Narrasing Row Gauday	Seevaji	Do.	2,000	This is a very large house. It consists of three principal buildings and had three proprietors who were in receipt of stipends from the Raja. One of them sold his share to the Raja outright and appears to have engaged to arrange for the sale in a similar manner of their portions by the other two owners. These would not agree and the sale remained incomplete. The stipends of the 3 proprietors were stopped from payment, and it is understood that the accumulations in deposit in the Raja's Treasury amount to Rupees 3,000. The sum paid by the Raja was Rupees 2,000 or thereabouts. It seems advisable to disburse the arrears, deducting from them what was actually paid. The claim will be adjusted in the usual course.
84	Do., Vencut Row.	Do.	Cirkar ground	2,000	Large open ground with a ruined Mandapam. Half of this was bought and half received from Vencut Row, Saristadār, in exchange for certain Cirkar houses in the West street.
85	Do., Do.	Sarabhoji	Do.	400	An open Mandapam, opposite to the five storey Palace, is attached to this.
