2. She was first entertained in the employ of the late Nabobs of the Carnatic on the 23rd August 1816 on a salary of Rupees 4 per mensem, and was transferred to this Office under the Orders above quoted. Her services in the Sircar employ and in that of Government has therefore extended over 43 years. Had she been pensioned with the other servants of the Nabob of the Carnatic, she would have been entitled to a ½ rate of pension as having served upwards of 35 years; but having since then served Her Majesty's Government on a salary of Rupees 10 per mensem, since July 1858, and her age being now 64 years, the Honorable the Governor in Council may decide that her case merits more consideration than what I now recommend as per Regulations.

3. I have the honor to recommend that she be granted a ½ rate of pension, viz., Rupees 2 per mensem.

4. She is Carnatic Stipendiary No. 291, having by Extract from the Minutes of the Right Honorable the Governor in Council, dated 16th September 1828, been pensioned on Rupees 5 per mensem as a Hurm of Gholam Mohamed Khan Kusvur Jung, and I recommend the Rupees 2 per mensem, or whatever sum the Honorable the Governor in Council may allow, being granted to her in addition to her Carnatic stipend No. 291.

5. Her services in the Agency have been very useful.

No. 28. ORDER THEREON, 29th May, 1860, No. 338.

The Government resolve to grant to Junnoo Bee, Hamamni on the Chepauk Agency Establishment, a pension equal to one half her average monthly receipts for the last five years, calculated to the end of the current month.
