No. 53. Read the following letter from Surgeon E. G. BALFOUR, Government Agent at Chepauk and Paymaster of Carnatic Stipends, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 8th June 1860, No. 671.

Her Highness Nabob Khyre-oon-Nissa Begum, on the 29th ultimo, addressed to me a communication expressing a desire to be allowed to leave Madras and reside amongst her own relatives in Hyderabad.

2. The feelings and ways of thought of the Wallajah family will probably prevent them approving of Her Highness being allowed to depart: perhaps may even induce them to oppose the same; but there are no other objections which occur to me as capable of being offered against Her Highness' return to her native place. I have however guardedly replied to Her Highness in a letter, of which copy is subjoined, and which I hope may meet the approval of the Honorable the Governor in Council.

No. 659 of 1860.

Government Agent's Office, 6th June 1860.

The Government Agent at Chepauk and Paymaster of Carnatic Stipends has the honor to present compliments to Her Highness Nabob Kyre-oon-Nissa Begum Sahiba, and to acknowledge receipt of Her Highness' communication of 29th ultimo.

The Government Agent notices the desire expressed by Her Highness, to return to her native place and dwell amongst her relations, but he thinks it advisable not to submit the subject to Government until Her Highness be able to propose all the arrangements regarding minor matters which Her Highness will recognise to require attention. Although Her Highness does not in her letter allude thereto, the Government Agent assumes that Her Highness' mother is also desirous of revisiting her native place; but it will be advisable for Her Highness, or her mother, to mention this fact. And Her Highness might also take into consideration the arrangements which might be deemed necessary to be made with regard to any debt claims which may be outstanding against Her Highness. As also what Her Highness might suggest in the case of any very aged dependants who might be unable to undertake such a lengthened journey. If Her Highness the Nabob Begum will kindly give these and any other matters Her best consideration and oblige the Government Agent with Her Highness' views regarding them, the Government Agent will then be in a position fully to consider Her Highness' request, and to form an opinion as to the duty of submitting the same to Government.

(Signed) E. BALFOUR,
Government Agent.

No. 54. ORDER THEREON, 18th June 1860, No. 375.

Before acceding to the wish expressed by Her Highness Khyre-oon-Nissa Begum to be allowed to remove to Hyderabad and reside there among her relatives, the Government desire that the Agent will report more fully on the arrangements that will be necessary to provide for the many dependants maintained out of her stipend, as well as for the settlement of the claims on her for arrears of wages and of debts remaining undischarged. The Agent will give these matters his attentive consideration, and in submitting to Government his final views on the subject, state how far Her Highness is prepared to make the arrangements that will be required to do justice to all concerned.

Doctor Balfour has spoken on this matter to me-

He thinks, as do I, that, on Political as well on other grounds, it is desirable that the Members of the Carnatic Family should be induced to breake up from Madras, and distribute themselves in other parts of the Country.

At the same time there are some circumstances connected with this application from Her Highness Nabob Khyre Oonissa Begum which will require to be considered. Her Mother, I understand, will
