*Proceedings of the Madras Government, Political Department,
7th September 1860.*

No. 22. Read the following letter from W. M. CADELL, Esq., Government Agent at Tanjore, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 1st September 1860, No. 322.

As directed by Government in their Proceedings of the 20th ultimo, No. 499, I have the honor herewith to submit a descriptive statement of the two stipendiaries therein referred to, as also of two* more whom I have since recommended for permission to proceed to the Deccan.

* *Vide letters to Government, dated 16th August 1860, No. 295.*
25th August 1860, No. 308.

2. The Government will observe from the statement, that the same does not contain any further particulars than the age of the individuals and the relationship in which they stand to His late Highness the Raja. This is owing to their not having been mustered like the Pensioners belonging to the three minor establishments. The Government are aware, that the rank and position of these stipendiaries of the Vazáratmob† class, and whose females, as Góshá women, never make their appearance in public, precludes their being subjected to a process of personal examination, which is revolting to their ideas of dignity, and decency. This has accordingly been dispensed with in the case of the relations of the late Prince Pratápsingí of Madhiárjunam, as also of the late Ex-King of Kandí; and I conceive, it cannot be the intentions of Government that those of His late Highness the Raja of Tanjore should be denied this privilege.

3. I beg to add that each of these Vazáratmobs is in possession of a letter addressed to him by the Commissioner, Mr. Phillips, intimating the amount of stipend granted him by Government, and the production of this together with the last pay certificate now to be furnished by myself, will, I conceive, be a sufficient guarantee to secure identity in the first instance, and I beg to submit, that the future monthly payments may be made on ascertaining the fact of the existence of each individual by means of some responsible Officer attached to the Native Mah-rátta States in the Deccan.

No. 23. To the Chief Secretary to the Government of Bombay, dated Fort Saint George, 7th September 1860, No. 537.

I am directed by the Honorable the Governor in Council to transmit copies of letters from the Government Agent at Tanjore, communicating the desire of the parties named in the enclosed Descriptive Statement, who are relations of His Highness the late Raja, to be permitted to return to their native place in Sattara, and to reside and draw their stipends there; and to request that the Government of Bombay will issue the necessary instructions for the future disbursement of the stipends of the parties from the District Treasury, debiting the amount to this Government.
