*Proceedings of the Madras Government, Political Department,
15th September 1860.*

Read again letter from the Commissioner at Tanjore, dated 24th July, No. 1,305, and recorded on the Proceedings of the 14th August 1860, No. 485.

No. 46.

ORDER THEREON, 15th September 1860, No. 552.

With reference to the orders passed in the Proceedings of the above mentioned date in regard to the disposal of the several sums which form the deposit "ready to be paid to creditors," the Government observe from paragraphs 3 and 4 of the Commissioner's letter dated the 24th July last, that claims to the extent of Rupees 1,791-10 on this deposit were discharged by the late Sirkele on his own authority apparently out of the funds placed at his disposal for Palace expenses, and not out of the deposit amount—they therefore now direct that the above sum be withdrawn from the deposit of which they presume now to form a part and that it be carried to the public credit.

2. Resolved, that as the Commission has now been closed and Mr. Phillips has returned to Madras, the Government Agent at Tanjore be authorized to pay the creditors within the period of three months fixed by paragraph 2 of the Orders of Government, dated the 14th ultimo, No. 485.

(Signed) T. PYCROFT,
Chief Secretary.
