No. 53. Read the following letter from Surgeon Major E. G. BALFOUR, Government Agent at Chepauk, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 7th September 1860, No. 1,156.

* *To the Chief Secretary, No. 83, 23rd August 1853.* Under the correspondence as per margin* in 1853, all the double stipends that could be brought together and amalgamated were so treated.
Extract Minutes of Consultation, No. 357, 18th October 1853.

2. By having added on to the 1801 stipends the pensions of the servants and retainers of the Nabobs of the Carnatic and from the circumstance that there were relatives and servants of the Nabobs in receipt of two allowances or holding two offices, it has happened that some of the Carnatic Sependiaries of 1801 and 1855, are now recipients of two or, as in the case of the Mukhtar-un-Nissa-Begum, of three pensions.

3. If it meet with the approbation of the Honorable the Governor in Council, such of these double and treble pensions, as would admit of amalgamation under one receipt could now be so treated, by which the work of the Agency, Audit Office, and Treasury would be decreased, and the deductions for the Income Tax made more certain, and I subjoin a list of the stipends which admit of amalgamation.

4. I use the phrase "admit of amalgamation" because there are other double stipends which have been granted on dissimilar terms, one of which say is to lapse on the demise of the holder, and the other under the 1846 and 1850 rules may be renewable to heirs—or one may be for life, and the other terminable on the holder attaining his 18th year, the amalgamation of which does, not seem advisable.
