*Proceedings of the Madras Government, Political Department,
2nd October 1860.*

No. 5. Read the following letter from W. BALMAIN, Esq., Officiating Civil Auditor, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 19th September 1860, No. 106.

With reference to the Proceedings of Government, No. 533 of 6th September 1860, in regard to certain payments to be made out of arrears of pension due to Prince Azeem Jah Bahadour, I have the honor to state that in accordance with the Orders of Government, February 15th, 1855, No. 79, this pension having been undrawn for 2 years was entered as lapsed by the Government Agent in the return of pensions for February 1855, and was struck off the books of this Office. There are consequently no arrears due. It appears to me however that the Orders of November 17th, 1858, No. 757, granting a lac and a half of Rupees per annum should be considered in the light of a new grant. I request that I may be informed whether the arrears of the *original* pension are to be considered available and from what date the increased pension of 1½ lacs is to date.

No. 6. ORDER THEREON, 2nd October 1860, No. 591.

The Civil Auditor is informed that the Orders of 15th February 1850, No. 79, were not meant to apply to such a case as that of Prince Azeem Jah Bahadour, and that his stipend should not have been returned by the Chepauk Agent as lapsed without the express authority of Government. It will now be re-entered on the books of the Audit Office.

2. With regard to the inquiry at the conclusion of his letter, Mr. Balmain will be informed that the increased pension of 1½ lac of Rupees per annum will run from the same date as that of one lac per annum originally granted to the Prince, *viz.*, from the date of the death of his Nephew the late Nawaub, 7th October 1855.

3. Resolved also that the letter of the Accountant General, 30th June 1860, No. 91, and the Order of Government, 7th July 1860, No. 319, be communicated to the Civil Auditor for his information. The sum Rupees 59,225 deducted by the Accountant General, it is observed, is the amount of the allowance drawn by the Prince (at the rate, 4,000 Rupees per mensem, of his stipend, during the Nawaub's life-time,) for the period which intervened between the Nawaub's death and the annexation of the Mumpul.

While Orders of Government, communicated to the Civil Auditor under date the 6th September 1860, No. 591.

Besides this, the Government have made sundry payments chargeable against the Prince's arrears on account of his creditors, Affghans or others, in fulfilment of Judgments of Court, in discharge of the rent of the Shadi Mahal, and recently against Parajal Chetty.

4. The Civil Auditor will be so good as to submit in communication with the Accountant General, an account showing those various disbursements up to the present time, and the balance of arrears now payable to the Prince.

(Signed) T. PYCROFT,
Chief Secretary.
