Letter from the Receiver of the Carnatic Property, to Secretary to Government, 18th September 1860, *No.* 165.

SIR,

1. With reference to the correspondence and the Orders of Government noted in the margin, I have the honor to solicit that 30 Certificates may be issued to me for the land, &c., comprised in the enclosed Catalogue of sale, with the exception of Lot No. 8, regarding which I will speak hereafter.

2. In asking for 30 Certificates I have provided that the whole of the land described in Lot No. 3 (including the 1st and 2nd patches) should be included in one Certificate ; as also that only one Certificate should be granted for "Fatah Ali Khan's Garden" at Cara, comprised in Lots Nos. 14 and 15.

3. The Lots in this Catalogue are arranged in a different order from that observed in the Statement forwarded to Government by the Acting Collector of North Arcot. The quantities in the several Lots also differ ; those inserted in the Catalogue are taken from lists forwarded to me by the Dewan of the Carnatic Durbar. In some instances I have had the lands measured, and they have been found to correspond very closely with the quantities shown in the lists furnished by the Dewan. The difference in quantity on the whole of the Lots is about 2 cawnies and a half.

4. The boundaries in the Catalogue agree with those stated by the Acting Collector with two exceptions, viz., the Lots Nos. 2 and 12. The corresponding Nos. in the Collector's Statement are 5 and 28.

5. If however you will compare the description of the boundaries given by the Collector in Nos. 5 and 7, you will see the two agree almost word for word. I am told that the boundaries given in No. 7 are the the boundaries of "the Nabob Baug ;" consequently the boundaries mentioned opposite No. 5 are erroneous, while the boundaries of those Premises are correctly shown in the Catalogue when describing the Premises comprized in Lot 2. Again, on comparing the boundaries of "the Munaver Baug" in the Collector's Statement No. 15, with the boundaries of "the Amir Baug" No. 28, you will find the boundaries almost the same word for word ; I am informed that the boundaries of the Munaver Baug are correctly stated in No. 15 ; consequently the description of the boundaries of the Amir Baug in No. 28 are erroneous ; and the boundaries of those Premises are correctly shown in the Catalogue, when describing those Premises which are comprised in Lot No. 12.

REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from the Receiver of the Carnatic Property :—

Requests that Title Deeds may be issued for the late Nabob's Gardens at Arcot. (Here enter 2nd October 1860, No. 174.)

ORDER THEREON, 6th October 1860, No. 1,812.

Resolved that Title Deeds be issued for the lands specified in the Catalogue which accompanied the foregoing letter, with the exception of Nos. 2 and 12 of which the boundaries as given in the Catalogue, do not correspond with those given in the list furnished by the Collector of North Arcot. A copy of the present letter together with its enclosures will be forwarded to the Collector for early report on this point; and on the receipt of exact information as to the correct boundaries, Title Deeds will be issued for those two properties also.

2. With regard to the Garden No. 8, the circumstances represented in paragraph 9 of Mr. Dale's letter, form no reason in the opinion of Government for refusing to give a free-hold title for it, even admitting the claims against the late Nabob's Estate to be made good. The same title will therefore be given for that as for the others.
