No. 10. ORDER THEREON, 3rd February 1860, No. 61.

The Government agree in opinion with the Assistant Agent that the five items enumerated in the 2nd paragraph of his letter, amounting to Rupees 43-0-0, which were discontinued four years ago, should not now be renewed; nor do they see any reason for continuing the allowances specified in paragraph 3 to the parties therein named, as they will receive all that they are entitled to, under the rules laid down by the Government of India.

2. With respect to the monthly allowance of ten Rupees paid to the Khateeb of the Mamoor Mosque, it is observed that the payment was discontinued on the death of the actual incumbent, Mahomed Ghouse, which occurred *after* the demise of the late Nawab. Though the son, Gholam Mahmood, performed the duty of Khateeb, the Government cannot admit his right to the renewal of the allowance in his name at this period, the payment having ceased under the orders conveyed to the Dewan in paragraph 4 of the Extract Minutes of Consultation, dated 17th of November 1855, No. 462.

3. Before sanctioning the other allowances recommended in the last paragraph to be continued for life to the present recipients, the Government desire to have explanation respecting those items which are stated to have been "discontinued owing to the insufficiency of the amount of revenue of the villages attached to the Mosque" or " of the rent of Sirkar properties." It should be stated whether the allowances were always provided out of the revenues and rents of the said properties, and *when* they were discontinued—whether the villages are still attached to the Mosques—what are the " Sircar properties" alluded to—how their rents are now appropriated—and how these items became chargeable upon them. In furnishing this information, the Assistant Agent will submit a separate list of the sums which he would propose to continue.
