*Proceedings of the Madras Government, Political Department,
2nd November 1860.*

No. 1. Read the following letter from Surgeon Major E. G. BALFOUR, Government Agent at Chepauk, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 20th September 1860, No. 1,214.

Under the Orders of Government, No. 486, dated 15th August, I have reframed the Leave and other Rules, of which copy is subjoined.

No. 2. ORDER THEREON, 2nd November 1860, No. 649.

The Honorable the Governor in Council has already approved and sanctioned so much of the Rules submitted by the Chepauk Agent, as related to Carnatic Stipendiaries proceeding to foreign countries on long leave of absence.

2. Rules IV, IX and XIII, require Stipendiaries, under certain circumstances, to furnish security for the refund of any sum that may be overdrawn on their account; but the Government cannot understand how this overpayment can occur when it is provided that only *on the receipt of the Certificates of existence, the issue of the stipend will be made in arrear*. Such security does not seem to them to be necessary, and the Rules should be modified accordingly.

3. In reference to Rule XI, it should be observed, that leave is usually reckoned from the date on which it is granted, and not from the date of application; and there appears no reason for observing a different course in the case of the Carnatic Stipendiaries.

4. Rules XVII and XVIII do not appear to be necessary, the cases of the Stipendiaries referred to in the former, will be disposed of by the Agent, according to their respective merits.

5. The last, XVIII, can hardly be considered to fall within the scope of the Leave Rules; but it may be notified to Carnatic Stipendiaries and their families as widely as possible.

6. The Agent will re-submit the draft modified according to the above observations.

(Signed) T. PYCROFT,
Chief Secretary.
